

CORRECTION

Five-year risk of admission to long-term care home and death for older adults given a new diagnosis of dementia: a population-based retrospective cohort study

CMAJ has been made aware of an error that occurred in the Apr. 20, 2020, issue.¹

In the caption of Figure 2, the final sentence read, “In all cases, differences between the strata were statistically significant (log-rank test $p < 0.0001$).” This sentence has been removed.

This has been corrected at cmaj.ca.
