

## CORRECTION

### Litigious future for Big Sugar?

The News article entitled “Litigious future for Big Sugar?” published on Mar. 6, 2017, contained an error in a date. It should have stated, “This is a 2014 number, and is a 20% reduction from 2004,” said Carolyn Fell, a senior communications director with the association, citing a Conference Board of Canada report.

*CMAJ* apologizes for the error and any inconvenience it may have caused.
