The position of Executive Vice President, Chief Medical Executive (EVP, CME) of Sunnybrook Health Sciences Centre will give you a rare opportunity to provide leadership in one of Canada's most dynamic and innovative teaching and research hospitals.

Sunnybrook is proud to be fully affiliated with the University of Toronto, and as an Executive Vice President, Chief Medical Executive at Sunnybrook Health Sciences Centre, you will be leading the future development of Canadian healthcare in one of the country’s premier academic health sciences centres. As a member of the senior leadership team, you will help the hospital build on its rich history, provide leadership to 1,000 physicians and be a highly visible role model for more than 10,000 staff, students and volunteers.

As the new EVP you will be responsible for a variety of leading-edge initiatives that will continue to improve the experience of the 1.2 million patients and families who come through the doors of the hospital each year, relying on Sunnybrook to be there for them when it matters most. The future of high-quality healthcare is predicated upon enhanced partnerships and more integrated care. As Executive Vice President you will provide leadership around Sunnybrook’s strategy to better integrate with other organizations, healthcare providers and key stakeholders, in the interest of enhanced quality and a more efficient, seamless system of care.

The ideal candidate will possess an optimal combination of the following professional experiences, skills and attributes:

- A progressive track record in senior leadership roles in an academic health science centre/complex or teaching hospital setting;
- Minimally, Assistant Professor ranking at an academic health sciences centre, with Associate or full Professor desired;
- A talent for generating, articulating and executing a compelling vision for your organization or portfolio;
- Excellent communication skills, with the ability to engage at all levels; a natural leader, with a positive and transparent interpersonal style;
- Collaborative, with an excellent ability to build bridges;
- A change agent with the ability to move the change process through the organization.

Becoming the Executive Vice President, Chief Medical Executive of Sunnybrook Health Sciences Centre is a career defining opportunity for someone who is willing to bring to the role an unparalleled passion for healthcare, integral and motivational leadership, and a commitment to exceeding their personal best.

To express your interest in this outstanding leadership opportunity, please contact Penny Mirams or Hayley Becker at 416-366-1990 or submit your resume, in confidence, to www.odgersberndtson.com/en/careers/14159.

Sunnybrook Health Sciences Centre is strongly committed to diversity within its community and especially welcomes applications from racialized persons/persons of colour, women, Indigenous/Aboriginal People of North America, persons with disabilities, LGBTQ persons, and others who may contribute to the further diversification of ideas. All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.

Sunnybrook Health Sciences Centre is an equal opportunity employer. In accordance with the Accessibility for Ontarians with Disabilities Act, 2005, upon request, accommodation will be provided by both Odgers Berndtson and Sunnybrook Health Sciences Centre throughout the recruitment, selection and/or assessment process to applicants with disabilities.

**Director** (incumbent will be eligible for an endowed chair)

Queen’s University
Department of Family Medicine

Three (3) Full-Time Academic Family Physicians

The Department of Family Medicine seeks three (3) full-time academic family physicians in the following roles:

- One (1) Academic Family Physician
- One (1) Academic Family Physician - Research
- One (1) Academic Family Physician - Research

The preferred candidates will have a combination of academic and clinical experience, with demonstrated clinical expertise in family medicine, will exhibit strong potential for innovative and scholarly research, and provide evidence of an ability to work in an interdisciplinary, collaborative environment.

Clinical responsibilities will be based at the Queen’s Family Health Team in Kingston and include taking call approximately one (1) night per month and three (3) weekends per year. A willingness to provide obstetrical and intra-partum care would be an asset.

Academic responsibilities include a combination of teaching, supervision of undergraduate and postgraduate learners and scholarly activity.

Preference will be given to applicants who can provide evidence of current involvement and commitment to education through the submission of an educational dossier and the identification of referees who can attest to the applicant’s educational expertise. A Master’s level degree is considered an asset.

Applicants must be eligible for licensure with the College of Physicians and Surgeons of Ontario on or before the appointment start date, and candidates should have a current, valid certification from the College of Family Physicians of Canada.

The University welcomes applications from women, visible minorities, Aboriginal peoples, persons with disabilities, and LGBTQ persons. All qualified candidates are encouraged to apply; however, in accordance with Canadian immigration requirements, Canadian citizens and permanent residents of Canada will be given priority.

To comply with federal laws, the University is obliged to gather statistical information as to how many applicants for each job vacancy are Canadian citizens/permanent residents of Canada. Applicants need not include this information as to how many applicants for each job vacancy are Canadian citizens/permanent residents of Canada. Applicants need not include this information.

Preference will be given to applicants who can provide evidence of current involvement and commitment to education through the submission of an educational dossier and the identification of referees who can attest to the applicant’s educational expertise. A Master’s level degree is considered an asset.

Applicants for these positions will be expected to demonstrate the following:

- Experience in the care of patients with complex needs
- Experience in the delivery of evidence-based care
- Experience in teaching medical students, residents, and fellows
- Experience in academic administration

The University will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant’s accessibility needs. If you require accommodation during the interview process, please contact Laura Kennedy in The Department of Family Medicine at 115 Clarence Street via email: laura.kennedy@dfm.queensu.ca or phone 613-533-9303 x 73007.

Review of applications will commence August 15, 2017, and continue until the position is filled. Applicants are asked to send a curriculum vitae, the names and contact information of three (3) referees and a letter outlining how current qualifications and experience match our requirements to:

CHIEF OF STAFF (COS)

Erie Shores Healthcare (formerly Leamington District Memorial Hospital) is a 58 bed acute care facility in sunny Southwestern Ontario serving communities in the Leamington, Kingsville, Harrow, Wheatley, Essex, Lakeshore catchment areas.

A fully accredited hospital, with Exemplary Standing, ESHC offers services in a broad range of specialties. The COS is a key member of the Senior Leadership Team and is responsible for medical affairs, providing administration and the medical staff with knowledge, experience and leadership from a medical management perspective. The COS facilitates communication and understanding among the various clinical components of the ESHC delivery system, assuring the provision of high quality care to the patients serviced at the hospital.

This position requires a seasoned physician executive, licensed to practice in Ontario, who is experienced in working with physicians, physician practices, coaching and mentoring peers, and working with a diverse cross section of all service providers within the hospital setting. The successful candidate will be required to represent the Hospital in local, regional and provincial forum(s) to ensure alignment and integration of Hospital services with those of the health care system. You will require skills in building relationships with administration and community boards.

As part of the ESHC Team, the COS recognizes leadership and building partnerships both within and outside the hospital setting to be crucial to the success and achievement of the Hospital’s vision, mission and corporate values and strategic direction for the growth of the organization.

If you are interested in applying for this adventurous and challenging opportunity in assisting the Senior Team at Erie Shores Healthcare in developing their goal orientated future, please apply in confidence with a copy of your CV by August 15, 2017 to:

Chair, Search Committee
