637
ACADEMIC GENERAL CARDIOLOGIST

Queen's University Department of Medicine, Division of Cardiology is seeking a qualified Academic Cardiologist with the potential for leadership opportunities. The Division of Cardiology at Queen's University provides specialist clinical care to a large catchment area, as well as externally funded research programs. Members of the Department of Medicine enjoy a competitive compensation package, including a generous benefit plan. Academic rank will be commensurate with experience.

In addition to a major focus of providing exemplary clinical service, the successful applicant must demonstrate strong potential for independent research activity in the field of Cardiology and for excellence in teaching at both the undergraduate and postgraduate level. The successful candidate will be expected to attend on Cardiac Sciences Unit and Cardiology ward. The successful candidate will be expected to assist in the development of regional solutions including coordination and support of and with other partners in the Local Health Integration Network. The successful applicant will also be expected to contribute to the administrative functions of the University and hospitals and to collaborate with, and support, other research activity in the Department of Medicine. He/she will be expected to provide evidence of the ability to work in a collaborative environment, excellent communication skills and a strong academic portfolio. Protected research time will be considered for an appropriate candidate.

Candidates must be eligible for licensure by the College of Physicians and Surgeons of Ontario. Preference will be given to those who either hold or are eligible for certification by the Royal College of Physicians and Surgeons of Canada in Cardiology, with fellowship training in Interventional Cardiology.

One of Canada’s leading universities, Queen’s has a reputation for academic excellence, research, and a diverse and vibrant learning environment. Kingston is situated in the heart of historic Southeastern Ontario on the shores of beautiful Lake Ontario, midpoint between Montreal and Toronto.

Applications are to include a letter summarizing expertise, qualifications and accomplishments relevant to the position together with a curriculum vitae and the names and full contact information of three referees. The University invites applications from all qualified individuals. Queen’s is committed to employment equity and diversity in the workplace and welcomes applications from women, visible minorities, Aboriginal peoples, persons with disabilities, and LGBTQ persons. All qualified candidates are encouraged to apply; however, in accordance with Canadian immigration requirements, Canadian citizens and permanent residents of Canada will be given priority.

To comply with federal laws, the University is obliged to gather statistical information as to how many applicants for each job vacancy are Canadian citizens/permanent residents of Canada. Applicants need not identify their country of origin or citizenship; however, all applications must include one of the following statements: “I am a Canadian citizen/permanent resident of Canada”; OR, “I am not a Canadian citizen/permanent resident of Canada”. Applications that do not include this information will be deemed incomplete. Complete applications are to be directed to:

Dr. S.L. Archer, Professor and Head, Department of Medicine
c/o Jennifer Andersen, Etherington Hall, 94 Stuart Street
Kingston, Ontario K7L 3N6
Email jennifer.andersen@queensu.ca

Academic staff at Queen’s University are governed by a Collective Agreement between the University and the Queen’s University Faculty Association (QUFA), which is posted at http://queensu.ca/facultyrelations/faculty-librarians-and-archivists/collective-agreement and at www.qufa.ca

The University will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant’s accessibility needs. If you require accommodation during the interview process, please contact: Mrs. Jennifer Andersen, email jennifer.andersen@queensu.ca

Review of applications will commence immediately and will continue until the position is filled.

DERMATOLOGIST OR PHYSICIAN: AB – Dr. Alanen's clinic Derm.ca has had considerable growth over the last several years. He is now shifting his clinical focus to the diagnosis, treatment (including surgery and Mohs surgery) and prevention of skin cancer. Currently, his patient roster is over 60,000. Much of the day is spent by him seeing low risk skin cancer patients (Actinic keratoses, minimally atypical nevi, etc.) There is an opportunity for a dermatologist or family physician to assist in managing these patients. It is expected that the applicant see approximately 40 to 50 patients per day, 4 days per week. The hours would be approximately 12:00 – 18:00. The applicant should be comfortable doing skin biopsies. Because this population of patients often has significant actinic damage, there is an expectation for a working knowledge of cosmetic procedures (neuromodulators, fillers, lasers, etc.), cosmeceuticals. Any problematic cases can be reviewed with Dr. Alanen either in real time or via telemedicine. Remuneration to be discussed but will be similar to that which occurs in typical Canadian Dermatology settings. There is an expectation for signature of non-disclosure and no-compete agreements. If you are interested, please contact: Ms. Ildiko Juhasz, email ildiko.juhasz@derm.ca or in clinic, tel 403 457-1900.

DERMATOLOGIST: ON – Wanted. Dermatologist or focused practice in dermatology to take over an existing practice in east end of Toronto. Nice mix of OHIP and non-invasive cosmetic services and procedures. Lasers—V beam, Q switched YAG, Lt Sheer, Pixel, IPL. Spacious and attractive office on main floor with street frontage and signage. Opportunity to expand existing space to set up a clinical studies wing. Please send CV to email derm842533@gmail.com.

GENERAL PRACTITIONERS
Greater Vancouver, British Columbia

Group of seven busy locations with opportunities for family, walk-in or specialist physicians. Full time, part time or locums. We provide all the administrative and operational support.

Paul Foster
Toll free 888 208-9211
Email pfoster@denninghealth.ca

PHYSICIAN: BC – A great opportunity for a full-time or part-time physician has opened at Murals Medical Clinic and Peninsula Medical Clinic. We are busy family practices/walk-in clinics. Flexible hours, bright new offices, user-friendly EMR, great peers and competent nursing or MOA staff provide exceptional support (including chronic care billing). Located in the Langley and South Surrey/White Rock area respectively, just a short commute to Vancouver. The area is rich in both cultural and recreational areas and sports such as golf, skiing, boating, hiking, etc. Contact: Carol, tel 604 916-2050 or email ckd2@shaw.ca.

UNIVERSITY OF CALGARY
CUMMING SCHOOL OF MEDICINE
Department of Surgery

UROLOGIST

The Department of Surgery, Alberta Health Services–Calgary Zone and the University of Calgary invite applications for a full-time clinical faculty position in the Section of Urology.

Qualifications include an MD and a Fellowship in the Royal College of Physicians and Surgeons of Canada in Urology, with an additional fellowship in minimally invasive surgical techniques including: laparoscopy, endourology, and percutaneous renal surgery. Candidates must be eligible for licensure in the province of Alberta. The ideal candidate will have acquired training in clinical and/or basic science research and be committed to advancing the academic mission of the Section. Demonstrated leadership abilities will be considered an asset.

The successful candidate will become a member of the Section of Urology and provide urological care in the Calgary Zone of Alberta Health Services. The position will be based at the Southern Alberta Institute of Urology, which is located at the Rockyview General Hospital. The successful individual will be expected to have a clinical appointment with the University of Calgary, Cumming School of Medicine, Department of Surgery, and teaching at the undergraduate and postgraduate level will be required. Committee duties and other Section service will be expected as the need arises, and the applicant will take call according to the site and Alberta Health Services policies.

In accordance with Canadian immigration requirements, priority will be given to Canadian citizens and permanent residents of Canada. Alberta Health Services and the University of Calgary are committed to employment equity.

Please submit a letter of application, curriculum vitae and three letters of reference by October 31, 2017 to:

Dr. Kevin Carlson
Section Chief of Urology
Southern Alberta Institute of Urology
Suite 6608, 7007–29th Street NW
Calgary, AB T2V 1P9

SECTION CHIEF OF OPHTHALMOLOGY

The Department of Surgery, Alberta Health Services–Calgary Zone and University of Calgary invite applications for the position of Section Chief, Ophthalmology. Alberta Health Services and the University of Calgary is an academic hospital complex comprised of Rockyview General Hospital, Foothills Medical Centre, Alberta Children's Hospital, Peter Lougheed Centre, South Health Campus and numerous Non-Hospital Surgical facilities–working together to create a premier integrated health system.

The successful candidate will be responsible for the quality of care and services within the Section in a manner consistent with the mission and goals of Alberta Health Services and for all educational and research activities related to the University of Calgary. Reporting to the Head of the Department of Surgery, the Chief is responsible for leading the section in achieving excellence in clinical care, education, and research. He/she is responsible for developing and implementing a vision and strategic plan for the section in alignment with the Department of Surgery. He/she will develop and support new innovations that provide evidence based care and new knowledge across the healthcare systems.

Qualifications include an MD, a fellowship from the Royal College of Physicians and Surgeons of Canada in Ophthalmology, with an additional fellowship in corneal and refractive surgery. Candidates must be eligible for licensure in the province of Alberta. Alberta Health Services and the University of Calgary are committed to employment equity.

In accordance with Canadian immigration requirements, priority will be given to Canadian citizens and permanent residents of Canada. Alberta Health Services and the University of Calgary are committed to employment equity.

Effective start date is on or before July 1, 2018. Applications for this position will close on October 31, 2017. Interested candidates should forward cover letter, curriculum vitae and three reference letters to:

Dr. Sean Grondin
Zone Clinical Department Head
Alberta Health Services
Department of Surgery
1403–29th Street NW
Calgary, AB T2N 2T9

Contact: email private account101@gmail.com – 3993

ACADEMIC GASTROENTEROLOGIST – CLINICIAN SCHOLAR

Queen's Department of Medicine, Division of Gastroenterology, is seeking a qualified Gastroenterologist to fulfill a Clinician-Scholar role. The Queen's University Division of Gastroenterology is a collegial and supportive group of 10 academic gastroenterologists who provide specialist clinical care to a large catchment area, as well as externally funded research programs. The Gastrointestinal Diseases Research Unit conducts externally funded research in population databases, investigator driven clinical trials, and basic and translation science, with extensive state-of-the-art physical facilities and infrastructure. Members of the Department of Medicine enjoy a competitive compensation package, including a generous benefit plan. Academic rank will be commensurate with experience.

In addition to a major focus of providing exemplary clinical service, the successful applicant must demonstrate excellence in teaching at both the undergraduate and graduate level. The successful applicant will also be expected to contribute to the administrative functions of the University and hospitals and to collaborate with, and support, other research activity in the Department of Medicine. He/she will be expected to provide evidence of the ability to work in a collaborative environment, excellent communication skills and a strong academic portfolio. Significant protected research time will be considered for an appropriate candidate. Preference will be given to applicants with advanced research training in neurogastroenterology and motility, the microbiome or Inflammatory Bowel Disease. Alternatively, or in addition, training in clinical trials and translational research would also be an asset. Candidates must be eligible for licensure in Gastroenterology with the College of Physicians and Surgeons of Ontario.

One of Canada’s leading universities, Queen's has a long-standing reputation for academic excellence, research, and a diverse and vibrant learning environment. With its strong tradition of public service, the University has helped to shape Canadian values and policies, educating notable political and cultural figures. Queen's is located in the heart of the community in historic Kingston, midpoint between Montreal, Toronto and Ottawa, the nation's capital. The University invites applications from women, visible minorities, Aboriginal peoples, persons with disabilities, and LGBTQ persons. All qualified candidates are encouraged to apply; however, in accordance with Canadian immigration requirements, Canadian citizens and permanent residents of Canada will be given priority.

Applications are to include a letter summarizing expertise, qualifications and accomplishments relevant to the position together with a curriculum vitae and the names and full contact information of three referees. The University invites applications from all qualified individuals. Queen’s is committed to employment equity and diversity in the workplace and welcomes applications from women, visible minorities, Aboriginal peoples, persons with disabilities, and LGBTQ persons. All qualified candidates are encouraged to apply; however, in accordance with Canadian immigration requirements, Canadian citizens and permanent residents of Canada will be given priority.

To comply with federal laws, the University is obliged to gather statistical information as to how many applicants for each job vacancy are Canadian citizens/permanent residents of Canada. Applicants need not identify their country of origin or citizenship; however, all applications must include one of the following statements: “I am a Canadian citizen/permanent resident of Canada”; “I am not a Canadian citizen/permanent resident of Canada”. Dr. S.L. Archer, Professor and Head, Department of Medicine
c/o Jennifer Andersen, Etherington Hall, 94 Stuart Street
Kingston, Ontario K7L 3N6
Email jennifer.andersen@queensu.ca

The University will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant’s accessibility needs. If you require accommodation during the interview process, please contact: Mrs. Jennifer Andersen, email jennifer.andersen@queensu.ca

Review of applications will commence immediately and will continue until the position is filled.
The University of Toronto is strongly committed to diversity within its community and especially welcomes applications from visible minority group members, women, Aboriginal persons, persons with disabilities, members of sexual minority groups, and others who may contribute to the further diversification of ideas. All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.

For more information about the Faculty of Medicine/Department of Surgery, please visit our [home page](http://surgery.utoronto.ca).
Candidates must possess exceptional interpersonal & collaborative skills, be dedicated to service excellence, and a strong team player. Participation in training of residents/medical students is also desirable. Registration with the CPSO is required and the candidate will preferably be a Canadian resident. Remuneration is fee for service.
