Contact information

Name	Kirsteen Burton
Affiliations	University of Toronto, Dept. of Radiology
Biographical details	Dr. Burton completed medical school at the University of Calgary and is currently a resident in Diagnostic Radiology at the University of Toronto. Additionally, she is completing a PhD (clinical epidemiology, Institute of Health Policy, Management and Evaluation) within the Royal College Clinician Investigator Program, working, in part, at the Institute for Clinical Evaluative Sciences in Ontario. She also received undergraduate and graduate degrees from the University of Toronto (MSc. (epidemiology)), and an MBA from Queen's University. Her research interests broadly include health services utilization and outcomes, specifically as they relate to medical imaging, to ultimately optimize the cost-effectiveness and quality of the medical care that we provide. She took up the position of Associate Editor of the CMAJ in May 2016.

Declaration of competing interests
