Please contact: Dr. Tom Faulds at email t.faulds@rogers.com

POSITIONS VACANT

CARDIOLOGIST: ON – The Healthy Way Medical Diagnostic Centre is looking for a permanent full-time cardiologist for busy practice at our multiple locations across the Greater Toronto Area. Salary is negotiable. Please contact: Simran, email 8989sim@gmail.com or tel 647 567-9744.

PHYSICIAN: AB – Westwinds Medical Clinic is physician-owned and operated. Opened in 2008, it is a beautifully designed and well-maintained clinic with three family physicians currently practising. Any new physician would enjoy flexible hours, user-friendly EMR (remote login can be done from anywhere), great peers all of whom enjoy a variety of sports and leisure activities. Support staff is professional and friendly. As members of the Mosaic PCN the clinic can refer patients to nurse consultants, dieticians, psychologists and community support persons to provide comprehensive care. Remuneration is based on a fee-for-service system with a very competitive 75/25 split. All applicants must hold a valid licence to practise medicine in Alberta, as well as be members of the College of Physicians & Surgeons of Alberta. Interested physicians should contact: Sonia Basati, tel 403 968-1415, fax 403 568-3583, email westwindsmedical@shaw.ca

Paul Finnegan
Certified Physician Development Coach

ACADEMIC BENIGN HEMATOLOGIST: CLINICIAN-SCHOLAR

Queen's University Department of Medicine, Division of Hematology, is seeking a qualified Hematologist to fulfill the role of Clinician-Scholar. The Division of Hematology at Queen's University provides clinical care to a large catchment area with specialty clinics and has an active subspecialty training program. Members of the Department of Medicine enjoy a competitive compensation package, including a generous benefit plan. Academic rank will be commensurate with experience.

In addition to a major focus of providing exemplary clinical service, the successful applicant must demonstrate strong potential for teaching at both the undergraduate and postgraduate level, engage in collaborative research and contribute to the administrative functions of the University and hospitals. The successful applicant must demonstrate strong leadership skills in an academic or hospital setting and he/she would be expected to provide evidence of the ability to work in a collaborative environment, excellent communication skills and a strong academic portfolio. Training in hemostasis and/or thrombosis is an asset. Protected research time would be considered for an appropriate candidate.

Candidates must be eligible for licensure by the College of Physicians and Surgeons of Ontario. Preference will be given to those who either hold or are eligible for certification in Hematology by the Royal College of Physicians and Surgeons of Canada.

One of Canada’s leading universities, Queen’s has a reputation for academic excellence, research, and a diverse and vibrant learning environment. Kingston is situated in the heart of historic Southeastern Ontario on the shores of beautiful Lake Ontario, midway between Montreal and Toronto.

Applications are to include a letter summarizing expertise, qualifications and accomplishments relevant to the position together with a curriculum vitae and the names and full contact information of three referees. To comply with Federal laws, the University is obliged to gather statistical information about how many applicants for each job vacancy are Canadian citizens/permanent residents of Canada. Applicants need not identify their country of origin or citizenship, however, all applications must include one of the following statements: I am a Canadian citizen/permanent resident of Canada; OR, I am not a Canadian citizen/permanent resident of Canada. Applications that do not include this information will be deemed incomplete. Complete applications are to be directed to:

Dr. S.L. Archer, Professor and Head, Department of Medicine
c/o Jennifer Andersen, Etherington Hall, 94 Stuart Street
Kingston, Ontario K7L 3N6
Email jennifer.andersen@queensu.ca

Review of applications will continue until the position is filled.

Queen’s is committed to employment equity and diversity in the workplace and welcomes applications from women, visible minorities, Aboriginal people, persons with disabilities, and persons of any sexual orientation or gender identity. All qualified candidates are invited to apply; however, Canadian citizens and permanent residents will be given priority.

The University will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant’s accessibility needs. If you require accommodation during the interview process, please contact: Mrs. Jennifer Andersen, email jennifer.andersen@queensu.ca.

FAMILY PHYSICIAN: AB – Drs. Young & Wouters, Calgary Vein & Laser, has an immediate opening for a full or part-time physician. Calgary Vein & Laser has been providing venous disease treatment for 25 years, injectable cosmetics and a variety of laser treatments are also provided by our office. This practice is a patient-centered experience and is a very gratifying practice for the physician. A team of nurses, medical assistants and laser technicians assist in providing excellent patient care. Training will be provided and experience is an asset. Physicians must be licensed with the College of Physicians & Surgeons of Alberta and a member of the Canadian Medical Protective Association. Contact: Debbie McFarlane, Manager at email calvein@telus.net, Web site www.veinlase.com.

PHYSICIAN: BC – A great opportunity for a full-time or part-time physician has opened at Murals Medical Clinic and Peninsula Medical Clinic. We are busy family practices/walk-in clinics. Flexible hours, bright new offices, user-friendly EMR, great peers and competent nursing or MOA staff provide exceptional support (including chronic care billing). Located in the Langley and South Surrey/White Rock area respectively, just a short commute to Vancouver. The area is rich in both cultural and recreational areas and sports such as golf, skiing, boating, hiking, etc. Contact: Carol, tel 604 916-2050 or email ckd2@shaw.ca.

Applications are invited for the position of Anesthetist-In-Chief at St. Michael's Hospital (SMH). St. Michael's is Canada's leading Catholic Academic Health Sciences Center and is fully affiliated with the University of Toronto. Located in downtown Toronto, it provides secondary and tertiary care services for Toronto, southern Ontario and beyond. The hospital is organized in a programmatic fashion with emphasis on Heart & Vascular Disease, Trauma and Neurosurgery, Mobility and Neuromusculoskeletal Disorders, Oncology and Specialized Services, Inner City Health and Diabetes Comprehensive Care. The Hospital services more than 77,000 patients in our emergency department, manages approximately 521,000 ambulatory visits, and cares for over 25,000 inpatients in more than 460 beds. There are over 30,000 surgeries performed annually and the critically ill are treated in 60 ventilator beds in four separate intensive care units. A new patient care tower will be opening in 2018 that includes modernized operating rooms and critical care areas.

The Department of Anesthesia at St. Michael's Hospital enjoys a proven track record of special expertise in cardiovascular, neurosurgical, trauma and regional anesthesia. The Department also plays a leadership role in critical care. It has an excellent record in teaching at all levels and has a well established research program. St. Michael's Hospital is noted for its collaborative culture and has a reputation of excellence in clinical education. St. Michael's has a new strategic thrust in knowledge translation (implementation science) and is developing world class infrastructure to support clinical trials.

The Department seeks an outstanding academic individual with proven administrative experience and strong leadership skills, who as Chief will continue to foster excellence in patient care services and will lead the growth of the research program and foster collaborations with the Keenan Research Centre and Li Ka Shing Knowledge Institute. The Chief will also lead the development of the teaching program within the Department. The qualified applicant shall hold an FRCSC or equivalent and be eligible for licensure in the province of Ontario and should be eligible to warrant appointment to the Department of Anesthesia at the rank of Professor or Associate Professor. Salary will be commensurate with qualifications and experience.

Interested individuals should submit a letter of application, a curriculum vitae and the names and addresses of three referees no later than February 28, 2018 to:

Douglas E. Sinclair, MD, CCFP(EM), FRCPC
Vice President and Chief Medical Officer
1-041 Bond Wing South, St. Michael’s Hospital
30 Bond St., Toronto, ON M5B 1W8

St. Michael’s Hospital is part of a health-care network connecting Providence Healthcare, St. Joseph’s Health Centre and St. Michael’s Hospital. Learn more at: https://oursharedpurpose.com

The University of Toronto and St. Michael’s Hospital are strongly committed to diversity within its community and especially welcome applications from visible minority group members, women, Aboriginal persons, persons with disabilities, and members of sexual minority groups and others who may contribute to further diversification of ideas. All qualified candidates are encouraged to apply; however Canadian citizens and permanent residents will be given priority.
Commitment. Caring. Community.

BC Cancer (BCC) is committed to reducing the incidence of cancer, reducing the mortality from cancer, and improving the quality of life of those living with cancer. BC Cancer Agency provides a comprehensive cancer control program for the people of British Columbia in partnership with regional health authorities to deliver a range of cancer services, which include prevention, screening and early detection, diagnosis and treatment, research, education, supportive care, rehabilitation and palliative care. It operates six regional cancer centres in Surrey, Kelowna, Vancouver, Victoria, Abbotsford and Prince George, along with two research centres that conduct research into the causes and cures for cancer.

BC Cancer is an agency of the Provincial Health Services Authority (PHSA), which plans, manages and evaluates specialty and province-wide health care services across BC. PHSA embodies values that reflect a commitment to excellence. These include:

- Respect people
- Be compassionate
- Dare to innovate
- Cultivate partnerships
- Serve with purpose

General Practitioner in Oncology – Leukemia/Bone Marrow Transplant Program

BC Cancer – Vancouver Centre
Regular Full Time and Regular Part Time (0.60 FTE) Opportunities Available
Vancouver, BC

The Leukemia/Bone Marrow Transplant Program of British Columbia is seeking non-specialist physicians to work as General Practitioners in Oncology (GPO)/Clinical Associates in the Leukemia/BMT Program at Vancouver General Hospital.

The Leukemia/BMT Program provides specialized care to patients with hematologic malignancies and those undergoing stem cell transplant.

The GPO/clinical associate will support the 15 senior hematologists in the care of leukemia and bone marrow transplant patients by providing continuing care for patients. He/She will collaborate in the primary care of these patients with the leukemia/bone marrow transplant fellows-in-training and five clinical associates.

Salary and benefits will be in accordance with the BC Cancer remuneration schedule and will be determined by the successful applicant’s training and experience.

Successful candidates will be Licentiates of the Medical Council of Canada, and hold a BC Medical License and current certificate with the College of Physicians & Surgeons of BC.

To apply, please send a letter expressing your interest, curriculum vitae and the names of 2 referees to:

Akosua Tomash
Advisor, Talent Acquisition
Email: physicianrecruitment@phsa.ca

Applications will be accepted until the position is filled.

For more information on all that the PHSA has to offer, please visit: jobs.phsa.ca.

For more information about BC Cancer and the Leukemia/BMT Program of BC, please visit our websites at: www.bccancer.bc.ca and www.leukemiabmtprogram.com.

The PHSA is committed to employment equity and hires on the basis of merit. We encourage applications from all qualified individuals, including Aboriginal peoples, persons with disabilities and members of visible minorities. Canadians and permanent residents of Canada will be given priority. English is the official language used at PHSA.

The City and County of Peterborough have been put on the high needs list and we are actively recruiting primary care physicians to join one of the five Family Health Organization (FHO) models of care.

**Apsley, Ontario in the North Kawartha Township**  
Surrounded by a supportive community, this position is eligible for $90,680 payable over four years from the Northern and Rural Recruitment and Retention fund. As a municipal building, the clinic offers reduced rent and as a FHO offers allied health professionals to support the approximately 1,500 patient practice size.

**Lakefield, Ontario in the Township of Selwyn**  
As this community continues to grow, we continue to seek providers to build their own practice. The position is eligible for a maximum of $80,400 payable over four years from the Northern and Rural Recruitment and Retention fund. The beautiful medical facility is located in the heart of Lakefield and with the support of the Morton Community Healthcare Centre Foundation your medical suite can be renovated and equipped to meet your needs.

**Build your own practice in the City of Peterborough**  
Build your practice in the City & County of Peterborough to be part of one of Ontario’s largest Family Health Teams. With a variety of business models, and many other benefits, physicians are well supported in this medical community.

*You can practice anywhere, but you can live here*

For details, visit www.peterboroughfht.com or contact  
Lori Richey, Executive Director, 705-749-1564 ext. 317
Department of Medicine, Division of General Internal Medicine
Schulich School of Medicine & Dentistry, Western University

CLINICAL ACADEMIC POSITION

The Department of Medicine, Division of General Internal Medicine (GIM), Schulich School of Medicine & Dentistry, at Western University, London Health Sciences Centre and St. Joseph's Health Care are seeking a physician for a full-time clinical academic appointment to Western University. Applicants should be certified, or eligible for certification, in General Internal Medicine by the Royal College of Physicians and Surgeons of Canada, or equivalent. Candidates must have an MD or equivalent, and must be eligible for licensure in the province of Ontario. Individuals who have completed a 4 or a 5 year residency program in GIM may apply. The successful candidate will hold a limited term academic appointment at the rank of Assistant Professor or Associate Professor, or a continuing academic appointment at the rank of Associate Professor or Professor depending on qualifications and experience.

Western University delivers an academic experience second to none. Western challenges the best and the brightest faculty, staff and students to commit to the highest global standards. Our research excellence expands knowledge and drives discovery with real-world application. Western attracts individuals with a broad worldview, seeking to study, influence and lead in the international community. Since 1878, The Western Experience has combined academic excellence with life-long opportunities for intellectual, social and cultural growth in order to better serve our communities.

The Schulich School of Medicine & Dentistry at Western University is one of Canada's preeminent medical and dental schools. Established in 1881, it was one of the founding schools of Western University and is known for being the birthplace of family medicine in Canada. For more than 130 years, the School has demonstrated a commitment to academic excellence and a passion for scientific discovery. Throughout its history, Schulich Medicine & Dentistry has helped educate generations of physicians, dentists, scholars and scientists whose collective work has transformed the practice of medicine and dentistry, here in Canada and around the world. Faculty, students and alumni continue to fulfill their responsibilities as global leaders by sharing their knowledge and expertise for the benefit of all.

The Division of General Internal Medicine is composed of 13 full time academic and 3 adjunct internists and the group is poised for significant growth over the next 5 years. Successful candidates will participate in the academic and clinical missions of the Division and the Department. Clinical service commitments may include, but are not limited to, participation on Clinical Teaching Units (CTU), General Internal Medicine consultation services, and Urgent, Perioperative and GIM clinics at London Health Science Center and St. Joseph's Health Care.

It is anticipated that a competitive candidate will be qualified to participate or lead innovation and/or research within one of the Division’s areas of scholarship: patient safety/quality improvement, medical education, and clinical trials. Advanced certification in any of these areas will be considered an asset. Applicants with training in Obstetrical Medicine are also encouraged to apply as this is a clinical area targeted for expansion.

The successful candidate will be an excellent communicator and collaborator with strong leadership skills. As an Academic Internist, clinical teaching will be expected at the undergraduate and postgraduate levels. Evidence of excellence in teaching will be considered in the application process.

Remuneration is based on a combination of fee-for-service billings, alternate funding plan salary and academic salary.

Those interested in applying for this position should forward a Letter of Interest/Statement of Academic Qualification, Curriculum Vitae, at least three letters of reference, and also complete, sign and include the form at the following link: http://uwo.ca/facultyrelations/physicians/Application_FullTime_Clinical.pdf to:

Dr. Kathryn Myers, Chair, Division of General Internal Medicine
Department of Medicine, Schulich School of Medicine & Dentistry
Western University, London Health Sciences Centre-University Hospital
339 Windermere Road, London, Ontario, Canada N6A 5A5
kathryn.myers@sjhc.london.on.ca

Applications will be accepted until the position is filled. Review of applications will begin January 11, 2018 with an expected start date to be July 1, 2018 or as negotiated.

Business Addresses:
Western University, 1151 Richmond Street, N., London, Ontario N6A 5B8, www.uwo.ca
London Health Sciences Centre, 800 Commissioners Road E., London, Ontario N6A 5W9, www.lhsc.on.ca

Positions are subject to budget approval. Applicants should have fluent written and oral communication skills in English. The University invites applications from all qualified individuals. Western is committed to employment equity and diversity in the workplace and welcomes applications from women, members of racialized groups/visible minorities, Aboriginal persons, persons with disabilities, persons of any sexual orientation, and persons of any gender identity or gender expression.

In accordance with Canadian Immigration requirements, priority will be given to Canadian citizens and permanent residents.

Accommodations are available for applicants with disabilities throughout the recruitment process. If you require accommodations for interviews or other meetings, please contact Selin Erten, Selin.Erten@lhsc.on.ca and/or 519-685-8500 ext.35482.
The Department of Family Medicine (Halifax Site), Dalhousie University and Nova Scotia Health Authority (NSHA), invite applications for a 1.0 full-time academic clinician researcher. Candidates will be appointed as Dalhousie Faculty and active staff with the Department of Family Practice in the Central Zone, NSHA. The position is targeted to those interested in a clinical research career. The Department is looking for a 0.5 FTE research commitment to develop or continue one’s own program of primary care research in keeping with the themes in the Department and to participate collaboratively as a research team member with others in the Department. It is expected that the successful candidate will conduct grant funded research and obtain local, national, and international research funding. This will include an active knowledge translation effort through publications, presentations and meetings with relevant stakeholders.

The successful applicant’s research activities will focus on the development of primary care/family medicine research projects that are relevant to the practice of Family Medicine in Nova Scotia and Canada and may include clinical and/or health services research. We will consider quantitative, qualitative, and mixed methods research skills.

The remaining 0.5 FTE will be in clinical care, teaching and administration. This will involve provision of ambulatory, team-based, and comprehensive academic family medicine care including clinical supervision of medical learners.

Academic responsibilities will include: the training and evaluation of family medicine residents and the teaching of medical students; contributing to the academic development and administration of the university and health authority programs of family medicine; and the support of medical students, residents, graduate students and faculty in the development of research skills in primary care. This position offers exciting opportunities for career development within academic family medicine in a dynamic department with over 400 community-based family physicians in 64 communities in the three Maritime provinces.

The successful candidate must have CCFP certification, be a current and ongoing member of the College of Family Physicians of Canada and be eligible to obtain a full license to practice in Nova Scotia. A thesis based MSc/MA or PhD in a related health research discipline is also required. Preference will be given to those with previous health related research, those with experience in collaborative team based research and those who have experience in supervising research students.

Academic rank and remuneration will be commensurate with qualifications and experience, with a continuing appointment commencing early to mid-2018. All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority. Dalhousie University is committed to fostering a collegial culture grounded in diversity and inclusiveness. The University encourages applications from Aboriginal people, persons with a disability, racially visible persons, women, persons of minority sexual orientations and gender identities, and all candidates who would contribute to the diversity of our community.

The review of applications for this position will commence as soon as the competition closes. Interested applicants are asked, by January 31, 2018, to 1) submit a current CV and a statement outlining their academic, clinical and scholarly interests; and the names and contact information of three referees, at least two of whom must be academic; 2) complete a self-identification questionnaire, available at www.dal.ca/becounted/selfid.

JOB DUTIES:
The Northumberland Hills Hospital is currently seeking a Permanent Emergency Room Physician to enhance 24/7 department operating sustainability.

The NHH Emergency Department is committed to providing high quality compassionate care through its “Patients First” philosophy. The ED, the entry point for the majority of the clinical programs offered at the hospital and within the community, triage and treat approximately 36,000 patients per year.

TERMS OF EMPLOYMENT:
- Licensed with the College of Physicians and Surgeons of Ontario (or eligibility for licensure in the Province of Ontario)
- CCFP(EM), FRCP(EM), ABEM Certification or CCFP with extensive emergency medicine experience. Must hold current ACLS, ATLS and PALS Certification
- Must possess strong interpersonal skills and proven ability to work effectively with all department/team disciplines
- Evidence of continued medical education commitment in related field
- Demonstrated ability to integrate current evidence and best practice into the delivery of quality care.

SKILLS REQUIREMENTS:
- Full-spectrum of high acuity clinical medicine, trauma and cardiac care skill set required
- Must possess strong critical thinking abilities
- NHH is affiliated with Queen's University and is an educational site for the CCFP (EM) residents and the Queen's CCFP Department of Family Medicine Residency Program. The preferred candidates would be expected to participate in teaching postgraduate medical trainees.

WORK EXPERIENCE: Preferred candidates will have an extensive emergency medicine background (as detailed above); teaching experience at the post-graduate trainee level also preferred.

WAGE: Competitive salary.

BENEFITS PACKAGE BEING OFFERED: Our organization does offer a competitive incentive package to assist with moving/relocation including a non-repayable and interest free loan for an agreed upon term of service contract.

LOCUM - TRANSPLANT SURGEON

The Department of Surgery, Alberta Health Services-Calgary Zone and the University of Calgary is seeking locum coverage for its Section of Transplant Surgery in the Calgary Zone. The locum coverage will be for 1 year commencing September 1, 2018 and ending November 30, 2019 working with the Transplant Surgeons at the Foothills Medical Centre and all sites in the Calgary Zone. You will be given access to the Transplant Clinic.

The successful candidate will be expected to independently perform kidney and pancreas transplants, abdominal multi-organ retrieval, live donation nephrectomies (laparoscopic and open), as well as vascular and peritoneal access surgeries for dialysis. Qualifications include an MD and Fellowship Certification in Transplant Surgery. Applicants must be eligible for licensure with the College of Physicians and Surgeons of Alberta and have appropriate coverage through the Canadian Medical Protective Association or equivalent.

The position will commence on September 1, 2018. All qualified candidates are encouraged to apply, however Canadian citizens and permanent residents will be given priority. Forward your curriculum vitae, letter of intent, and three letters of reference in pdf form by May 31, 2018:

Dr. Anastasio Salazar
Section Chief - Transplant Surgery
Department of Surgery, University of Calgary
Foothills Medical Centre – South Tower Room 602
1403–29 Street NW, Calgary, AB T2N 2T9
Email anastasio.salazar@ahs.ca

SLEEP MEDICINE PHYSICIANS: ON – Seeking qualified CPSO sleep medicine physicians to join a busy practice full time or part time in the Durham Region/Eastern Greater Toronto Area. Candidates must hold a valid independent medical licence to practise sleep medicine in Ontario. Interested physicians send their CV to: Dr. John Mathieson, Chief Radiologist, VIHA South – RJH Site, 1952 Bay St., Victoria, BC V8R 1J8; fax 250 370-8947.

PRACTICES AVAILABLE

FAMILY PRACTICE: BC – North Vancouver.
Busy, high revenue family practice, central North
The Department of Family Medicine seeks full-time academic family physicians. The preferred candidates will have a combination of academic and clinical experience, with demonstrated clinical expertise in family medicine, will exhibit strong potential for innovative and scholarly research, and provide evidence of an ability to work in an interdisciplinary, collaborative environment.

Clinical responsibilities will be based at the Queen's Family Health Team in Kingston and include taking call approximately one (1) night per month and three (3) weekends per year. Academic responsibilities include a combination of teaching, supervision of undergraduate and postgraduate learners and scholarly activity.

Preference will be given to applicants who can provide evidence of current involvement and commitment to education through the submission of an educational dossier and the identification of referees who can attest to the applicant's educational expertise. A Master's level degree is considered an asset. Applicants who have demonstrated a strong commitment and track record of leadership in primary care research may be eligible for an endowed chair. Experience in Indigenous Health or Competency-Based Medical Education would be an asset.

Applicants must be eligible for licensure with the College of Physicians and Surgeons of Ontario on or before the appointment start date, and candidates should have a current, valid certification from the College of Family Physicians of Canada.

The University invites applications from all qualified individuals. Queen's is committed to employment equity and diversity in the workplace and welcomes applications from women, racialized/visible minorities, Indigenous/Aboriginal peoples, persons with disabilities, and LGBTQ+ persons. All qualified candidates are encouraged to apply; however, in accordance with Canadian immigration requirements, Canadian citizens and permanent residents of Canada will be given priority.

To comply with federal laws, the University is obliged to gather statistical information as to how many applicants for each job vacancy are Canadian citizens/permanent residents of Canada. Applicants need not identify their country of origin or citizenship; however, all applications must include one of the following statements: “I am a Canadian citizen/permanent resident of Canada”; OR, “I am not a Canadian citizen/permanent resident of Canada”. Applications that do not include this information will be deemed incomplete.

The University will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant’s accessibility needs. If you require accommodation during the interview process, please contact Laura Kennedy in the Department of Family Medicine at 115 Clarence St. via email: laura.kennedy@dfm.queensu.ca or phone 613 533-9303 ext. 73007.

Review of applications will commence immediately and continue until the positions are filled. Applicants are asked to send a curriculum vitae, the names and contact information of three (3) referees and a letter outlining how current qualifications and experience match our requirements to:
