**Queen's University
Department of Family Medicine
HALF-TIME ACADEMIC FAMILY PHYSICIAN**

The Department of Family Medicine seeks one (1) half-time academic family physician.

The preferred candidate will have a combination of academic and clinical experience, with demonstrated clinical expertise in family medicine, will exhibit strong potential for innovative and scholarly research, and provide evidence of an ability to work in an interdisciplinary, collaborative environment.

Clinical responsibilities will be based at the Queen's Family Health Team in Kingston and include taking call approximately one (1) night per month and three (3) weekends per year.

Academic responsibilities include a combination of teaching, supervision of undergraduate and postgraduate learners and scholarly activity.

Preference will be given to applicants who can provide evidence of current involvement and commitment to education through the submission of an educational dossier and the identification of referees who can attest to the applicant's educational expertise. A Master's level degree is considered an asset. Applicants who have demonstrated a strong commitment and track record of leadership in primary care research may be eligible for an endowed chair. Experience in Indigenous Health or Competency-Based Medical Education would be an asset.

Applicants must be eligible for licensure with the College of Physicians and Surgeons of Ontario on or before the appointment start date, and candidates should have a current, valid certification from the College of Family Physicians of Canada.

The University invites applications from all qualified individuals. Queen's is committed to employment equity and diversity in the workplace and welcomes applications from women, racialized/visible minorities, Indigenous/Aboriginal peoples, persons with disabilities, and LGBTQ+ persons. All qualified candidates are encouraged to apply; however, in accordance with Canadian immigration requirements, Canadian citizens and permanent residents of Canada will be given priority.

To comply with federal laws, the University is obliged to gather statistical information as to how many applicants for each job vacancy are Canadian citizens/permanent residents of Canada. Applicants need not identify their country of origin or citizenship; however, all applications must include one of the following statements: "I am a Canadian citizen/permanent resident of Canada"; OR, "I am not a Canadian citizen/permanent resident of Canada". Applications that do not include this information will be deemed incomplete.

The University will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant's accessibility needs. If you require accommodation during the interview process, please contact Laura Kennedy in The Department of Family Medicine at 115 Clarence Street via email: laura.kennedy@dfm.queensu.ca or telephone 613 533-9303 x 73007.

Review of applications will commence immediately and continue until the positions are filled. Applicants are asked to send a curriculum vitae, the names and contact information of three (3) referees and a letter outlining how current qualifications and experience match our requirements to:

7 DAY HOSPITALIST

Ross Memorial Hospital is a 175 bed hospital situated in the heart of the City of Kawartha Lakes, and is an active, acute-care community hospital servicing more than 80,000 local residents and seasonal visitors. Among our acute and continuing care services, our team cares for 45,000 patients per year in the 24/7/365 Emergency Department, provides orthopaedic, ophthalmic and general surgery, operates a Dialysis Unit, and is renowned for its Mental Health programs and restorative Seniors Care. The most recent expansion included the addition of MRI and Cardiac CT service. The Ross Family works together with patients and their families to provide compassionate, quality patient care.

Ross Memorial Hospital is recruiting two permanent 7-day hospitalists. The hospitalist assumes the care of a mixture of acute and post-acute patients on a Monday or Tuesday morning and will follow through the 7 day period. One weeknight of call is required, with other weeknights being free after 5 pm. The physician will be on-call after hours at the weekend for their own list of patients; from 5 pm Friday to 8 am Monday. The physician will be fluent in English.

Our hospital program is a mature program, with six hospitalists present daily during the week and four at weekends. The hospitalist department is a supportive and collegial group of physicians dedicated to high-quality patient care and ongoing quality improvement.

Payment is through a combination of Fee For Service (FFS) billings to the Ontario Health Insurance Plan (OHIP).

Qualifications:

The successful candidate will be collegial, enthusiastic and have recent experience in the care of hospitalized inpatients. The Hospitalist may have Internal Medicine or Family Medicine training. The candidate will have strong interpersonal skills and the ability to work effectively in teams, with physicians, nursing staff, patients, Directors and Managers. ACLS training and an unrestricted license with the College of Physicians and Surgeons of Ontario (CPSO) are required.
