LOCUM TENENS WANTED

ANESTHETIST: NL – Locum (with possibility of long-term recruitment). Western Health is currently seeking the services of anesthetists to work as locums for Western Memorial Regional Hospital, Corner Brook, Newfoundland. All locums involve a combination of booked OR schedules, Pre-Admission Clinics, Pain Management Clinics and weekly/weekend call obligations. Western Health operates 293 acute care beds, and 434 long-term care beds, 40 enhanced assisted living beds for individuals with mild to moderate dementia, as well as 14 restorative care beds. It is the regional referral center for Western Newfoundland and provides services to a population base of approximately 77,980 people. We are affiliated with Memorial University of Newfoundland & Labrador Medical School and we encourage and support academic interests. Qualifications: Interested applicants must be eligible for Specialist registration with The College of Physicians and Surgeons of Newfoundland and Labrador and satisfy the credentialing requirements of Western Health's Discipline of Anesthesia. Remuneration: Salaried as per the Salaried Specialist Guidelines outlined in the current Memorandum of Agreement as it pertains to locums. Link: http://www.nlma.nl.ca/documents/guides/guide_4.pdf. Additional Information: Visit the following Web sites for further information: City of Corner Brook, www.cornerbrook.com; Western Health: www.westernhealth.nl.ca. Corner Brook is a vibrant and active community. Enjoy low cost of living in a fabulous setting – exceptional skiing, snowmobiling, hiking, kayaking and much more on Newfoundland's beautiful West Coast! If you are interested in one of these positions and are seeking a rewarding career and a high quality of life for you and your family, please respond. Contact information: Please express interest in writing by sending a detailed curriculum vitae with the names and contact information of three references to: Lavina Hiscock, Locum Physician Recruitment Manager, Medical Services Department, Western Health, P.O. Box 2005, Corner Brook, NL A2H 6J7; fax 709 634-5063, email lavinahiscock@westernhealth.nl.ca, Web site www.westernhealth.nl.ca –4451

GENERAL SURGERY LOCUM OPPORTUNITIES: NB – The Moncton Hospital is a 386-bed tertiary and critical care facility with IR/EUS/ERCP/ICU services. Locums would be intermittent and of varying lengths of time as needed. Must be Royal College certified. Contact: Darlene Doiron, at email Darlene.Doiron@HorizonNB.ca –4475

Our client, William Osler Health System (Osler), is one of Ontario's largest community hospital organizations delivering Patient Inspired Healthcare through more than 650,000 patient interactions every year. With three hospital sites, Brampton Civic Hospital, Etobicoke General Hospital, and the new Peel Memorial Centre for Integrated Health and Wellness, Osler offers a wide range of health services provided by skilled health professionals working in multidisciplinary teams within a caring environment.

With a mission to provide innovative health care delivered with compassion, the organization currently has 882 beds, over 5,000 staff, 1,050 medical staff and 1,100 dedicated volunteers. Osler is seeking an exceptional clinician who can provide visionary leadership to the Department of Paediatrics and the broader medical community. Join Osler's leadership team as

Corporate Chief, Department of Paediatrics and Co-Medical Director, Women's and Children's Services

The successful candidate must possess an FRCPC in Paediatrics, be eligible for licensure in Ontario, have several years of clinical leadership experience and possess superior interpersonal & communication skills. An accomplished clinician with vision and a flair for inspiring people will welcome this opportunity to lead the Department of Paediatrics and its dynamic team.

Reporting to the Chief of Staff and to the Executive Vice President, Quality, Academic and Medical Affairs, the next Corporate Chief, Department of Paediatrics and Co-Medical Director, Women's and Children's Services, will advance Osler's mission and vision for excellence in the provision of healthcare services. This is an exceptional leadership opportunity in an outstanding organization complete with an attractive compensation package.

Please forward a CV in confidence to: Robb Callaghan, E-mail: rcallaghan@medfall.com Tel: 289-238-9079

7-DAY HOSPITALIST

Ross Memorial Hospital is a 158 bed hospital situated in the heart of the City of Kawartha Lakes, and is an active, acute-care community hospital servicing more than 80,000 local residents and seasonal visitors. Among our acute and continuing care services, our team cares for 45,000 patients per year in the 24/7/365 Emergency Department, provides orthopaedic, ophthalmic and general surgery, operates a Dialysis Unit, and is renowned for its Mental Health programs and restorative Seniors Care. The most recent expansion included the addition of MRI and Cardiac CT service. The Ross Family works together with patients and their families to provide compassionate, quality patient care.

Ross Memorial Hospital is recruiting two permanent 7-day hospitalists. The hospitalist assumes the care of a mixture of acute and post-acute patients on a Monday or Tuesday morning and will follow through the 7 day period. One weeknight of call is required, with other weeknights being free after 5 pm. The physician will be on-call after hours at the weekend for their own list of patients; from 5 pm Friday to 8 am Monday. The physician will be fluent in English.

Our hospital program is a mature program, with six hospitalists present daily during the week and four at weekends. The hospitalist department is a supportive and collegial group of physicians dedicated to high-quality patient care and ongoing quality improvement.

Payment is through a combination of Fee For Service (FFS) billings to the Ontario Health Insurance Plan (OHIP).

Qualifications:

The successful candidate will be collegial, enthusiastic and have recent experience in the care of hospitalized inpatients. The Hospitalist may have Internal Medicine or Family Medicine training. The candidate will have strong interpersonal skills and the ability to work effectively in teams, with physicians, nursing staff, patients, Directors and Managers. ACLS training and an unrestricted license with the College of Physicians and Surgeons of Ontario (CPSO) are required.

For further information, please contact:

OTOLARYNGOLOGIST – HEAD & NECK SURGEON FULL TIME (TWO POSITIONS)

**Schulich School of Medicine & Dentistry: Sarnia and London Appointment
Bluewater Health, Sarnia & London Health Sciences Centre**

Deadline to apply: June 30, 2019

Bluewater Health in collaboration with Western University's Schulich School of Medicine & Dentistry Department of Otolaryngology – Head and Neck Surgery are seeking a full-time otolaryngologist to manage and treat adult and paediatric patients within the hospital serving the Sarnia-Lambton community with co-appointments in both Sarnia and London. An interested otolaryngologist will find:

- Generous access to state-of-the-art Operating Rooms (Bluewater Health, Sarnia)
- Active Hospital Ambulatory Care Clinics in both Sarnia and London
- Flexible on call schedule with very flexible vacation time
- Community based practice in Sarnia with OR and AC privileges; AC privileges in London
- Adjunct or Associate Appointment with Western's Otolaryngology – Head and Neck Surgery Department
- Audiology services available in the community
- Remuneration is fee for service

The ideal candidate will have:

- Fellowship – Otolaryngology, Head & Neck Surgery, Royal College of Physicians and Surgeons of Canada or acceptable equivalent
- Eligible for Registration with the College of Physicians and Surgeons of Ontario
- Exceptional interpersonal & collaborative skills, be dedicated to service excellence, and a strong team player
- Active interest in teaching UME and PGE

Applicants should have fluent written and oral communication skills in English. All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority. Western University is committed to equity and welcomes applications from all qualified women and men, including visible minorities, aboriginal people and persons with disabilities.

Bluewater Health is a large community hospital in Southern Ontario, with 300 beds serving the population of Lambton County with locations in both Sarnia and Petrolia. Bluewater Health is an award winning, Accredited with Exemplary Standing Hospital. We offer an array of specialized acute, complex continuing care, allied health, & ambulatory care services including:

- Broad range of diagnostic services including CT and MRI scanners
- Fully staffed, high volume, 24-hour emergency departments with combined visits of 85,000 annually
- Full spectrum of specialist services available 24/7 (excluding neurosurgery & thoracic surgery)

We are committed to improving the patient experience using engagement and innovation.

Situated on the shores of Lake Huron in Southern Ontario, at the Michigan border, the city offers excellent, affordable quality of life, great work life balance, various outdoor sports, including multiple marinas and golf courses, in addition to arts and culture, education with great schools, state-of-the-art health care, and a beautiful natural environment.

If interested, please send CV and cover letter to:

POSITIONS VACANT

PHYSICIAN: AB – The Foothills Medical Clinic is seeking a permanent family physician as a full-time associate to take over the practice of an out-going physician. We are a group of four physicians that operate both a walk-in and family practice. There are no hospital inpatients and no evening/weekend services are required. We have an amazing location across the street from the Foothills Medical Centre and within a stone's throw of the University of Calgary. We have our Primary Care Network within the same building supporting an after-hours clinic, as well as a multidisciplinary team on site to follow all chronic care patients. Pediatrics, Obstetrics/Gynecology, Gastroenterology, Genetics, Respiriology, Pharmacy, Radiology, Physiotherapy are just a few of the services available in the building. Current patient load would be approximately 1500 patients. Remuneration is fee for service with a very competitive split. We utilize Telus Wolf EMR with both on-site and off-site access. Applicants must be eligible for licensure to practice from the CPSA, possess CMPA coverage and hold a degree in Family Medicine. New graduates are welcome and encouraged to apply. Please contact: Michelle, email foothillsmcd@hotmail.com, tel 403 282-2804. –4495

PHYSICIANS/PSYCHIATRISTS: AB – Calgary. Westbrook Medical Clinic is seeking full-time family physicians and psychiatrists for a well-established busy family practice. Ideal location with accessible diagnostic imaging clinics, pharmacy and Alberta Public Laboratory clinic nearby. The clinic is a member of Calgary West Central Primary Care Network and is supported by numerous allied health care professionals, both off and onsite. We offer Accuro EMR, a mature panel, flexible scheduling and a competitive fee-for-service split. Contact: Sonia Lota, clinic owner, tel 403 246-0887, email westbrookmedicalclinic@gmail.com –4472

ACADEMIC HEMATOLOGIST: CLINICIAN-SCHOLAR

Queen's University Department of Medicine, Division of Hematology, in collaboration with the Department of Oncology, is seeking a qualified Hematologist to fulfill the role of Clinician-Scholar with expertise in Complex Malignant Hematology. The Division of Hematology at Queen's University provides clinical care to a large catchment area with specialty clinics, and has an active subspecialty training program, as well as externally funded research programs. Members of the Department of Medicine enjoy a competitive compensation package, including a generous benefit plan. Academic rank will be commensurate with experience.

In addition to a major focus of providing exemplary clinical service, the successful applicant must demonstrate strong potential for teaching at both the undergraduate and postgraduate level, engage in collaborative research and contribute to the administrative functions of the University and hospitals. As Clinician-Scholar, the successful applicant will be responsible to the Division of Hematology, Department of Medicine, and Department of Oncology for Complex Malignant Hematology, having completed contemporary clinical fellowship training in this area. The successful applicant must demonstrate strong leadership skills and he/she would be expected to provide evidence of the ability to work in a collaborative environment, excellent communication skills and a strong academic portfolio. Protected research time would be considered for an appropriate candidate.

Candidates must be eligible for licensure by the College of Physicians and Surgeons of Ontario. Preference will be given to those who either hold or are eligible for certification in hematology by the Royal College of Physicians and Surgeons of Canada.

One of Canada's leading universities, Queen's has a long reputation for academic excellence, research, and a diverse and vibrant learning environment. With its strong tradition of public service, the University has helped to shape Canadian values and policies, educating notable political and cultural figures. Queen's is located in the heart of the community in historic Kingston, midpoint between Montreal, Toronto and Ottawa, the nation's capital.

Applications are to include a letter summarizing expertise, qualifications and accomplishments relevant to the position together with a curriculum vitae and the names and full contact information of three referees. The University invites applications from all qualified individuals. Queen's is committed to employment equity and diversity in the workplace and welcomes applications from women, visible minorities, Aboriginal peoples, persons with disabilities, and LGBTQ persons. All qualified candidates are encouraged to apply; however, in accordance with Canadian immigration requirements, Canadian citizens and permanent residents of Canada will be given priority.

To comply with federal laws, the University is obliged to gather statistical information as to how many applicants for each job vacancy are Canadian citizens/permanent residents of Canada. Applicants need not identify their country of origin or citizenship; however, all applications must include one of the following statements: "I am a Canadian citizen/permanent resident of Canada"; OR, "I am not a Canadian citizen/permanent resident of Canada". Applications that do not include this information will be deemed incomplete. Complete applications are to be directed to:

**Dr. S.L. Archer, Professor and Head
Department of Medicine, Queen's University
c/o Jennifer Andersen, Etherington Hall, 94 Stuart Street
Kingston, Ontario K7L 3N6
Email jennifer.andersen@queensu.ca**

The University will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant's accessibility needs. If you require accommodation during the interview process, please contact: Mrs. Jennifer Andersen, email jennifer.andersen@queensu.ca or call 613-533-6000, ext. 77765.

POSITIONS VACANT

PEDIATRICIAN

Mississauga, Ontario

The Toronto Outpatients Medical Clinic, located in Mississauga (a 15-minute drive from the Toronto airport), is looking for a pediatrician to staff its busy outpatient medical clinic. Established in 1988, our clinic was one of the first multispecialty outpatient clinics in the Greater Toronto Area. Since that time, we have continued to provide care for walk-in patients from 8 am to 11 pm, 7 days a week, including holidays. On-call suite available for out-of-town physicians. This position offers a competitive salary, flexible hours, and no on-call requirements.

RADIOLOGISTS: AB – Calgary. Alberta Diagnostic Centre is a steadily growing, dynamic Calgary-based community diagnostic imaging service that takes pride in timely, reliable, friendly provision of imaging services to make a difference in, and enhance our patients care. We perform ultrasound, radiography, image-guided pain management, and BMD, and require an additional radiologist, who should be eligible for registration for independent radiology practice with the College of Physicians and Surgeons of Alberta. Equipment is new, staff are obliging, and the company is new enough to be flexible. Remuneration is competitive, and vacation is flexible. If you are looking for a satisfying work and lifestyle mix in Calgary without after-
