

## Correction

### Correction to “Diagnosis and management of patients with polyneuropathy”

*CMAJ* has been made aware of an error that occurred in the Feb. 13, 2023, issue.<sup>1</sup>

In Figure 1, the example of another differential diagnosis to consider if findings are not consistent with polyneuropathy should have read myelopathy, rather than myopathy.

This has been corrected at [cmaj.ca](https://cmaj.ca).
