**Duffy**, Francis, Quesnel, BC; University of Glasgow, Scotland, 1962. Died June 6, 2006, aged 67.

**Fenwick**, John Brian, Vancouver; University of Manitoba, 1943, internal medicine. Died June 26, 2006, aged 88.

**Henderson**, Arthur Ralph, Manama, Bahrain; University of Glasgow, Scotland, 1964. Died June 29, 2006, aged 73.

**Jarvis**, Anita Agnes, Toronto; University of Ottawa, 1959, dermatology. Died June 25, 2006, aged 77.

**Kamski**, Edward Stephen, Toronto; University of Toronto, 1980. Died June 21, 2006, aged 59.

**King**, Paul (Peter) Alan Hastings, Invermere, BC; University of London, UK, 1953, internal medicine. Died May 25, 2006, aged 76. "Loving husband of Olive (Blair). Much loved and admired father of Paula (Ron), Karen (Dave), David (Kerry), Michael (Yvonne), Blair (Diane) and Ian and very special grandfather to 9 grandchildren. Peter practised cardiology for 23 years in Ontario, British Columbia and the United Arab Emirates. He was a medical officer for the Royal Canadian Air Force 1953-62. Upon retiring from medicine, he joined Civil Aviation Medicine in Ottawa as a consultant cardiologist and aviation medicine specialist. Peter and Olive retired to Invermere, BC, where he skied in the winter and enjoyed the solace of the valley. He is survived by his brother Dr. Michael King (Joan) of Englehart, Ont."

**Kristjansson**, Gestur, Winnipeg; University of Manitoba, 1953. Died June 30, 2006, aged 83.

**McKone**, Barclay, Peterborough, Ont.; University of Toronto, 1940. Died June 16, 2006, aged 91.

**Murphy**, Liam Joseph, Winnipeg; University of Sydney, Australia, 1976. Died July 9, 2006, aged 56. "Liam is survived by his wife, Leigh, son, Patrick, mother, Philomena, father, William, sisters, Annie, Rosamund and Patricia and brother, Brian. He was predeceased by his sister Philomena. He loved and was loved by his family and will be truly missed. Dr. Murphy was Professor of Medicine and

Physiology, Director of the Diabetes Research Group and Head of the Section of Endocrinology and Metabolism at the University of Manitoba and Consortium Head of Endocrinology and Metabolism at the 2 major teaching hospitals, St. Boniface Hospital and the Health Sciences Centre. In addition to a busy clinical practice in Endocrinology and Diabetes, Dr. Murphy also ran an active research laboratory and was a highly published scientist."

**Nelson**, Gary Steven, Whitecourt, Alta.; University of Alberta, 1977. Died June 27, 2006, aged 53.

**Pow**, Robert Edward, Calgary; University of Alberta, 1943, general surgery. Died June 18, 2006, aged 86.

**Stalker**, Beryl Picton, Manotick, Ont.; University of Cambridge, UK, 1953. Died June 29, 2006, aged 77.

**Therriault**, Dennis Gerard, Peterborough, Ont.; Memorial University of Newfoundland, 1979. Died July 5, 2006, aged 51.

**Thibault**, Jean-Paul, Windsor, Ont.; University of Ottawa, 1953. Died June 19, 2006, aged 77. "J.P. (as he was affectionately called by his friends and colleagues) was trained as a pathologist from 1953-7 but had to give up his much-loved specialty because of a severe allergy to formaldehyde. Following this, he practised family medicine in Bermuda for 6 years and also worked as a physician on cruise ships. He practised family medicine 1963-6 in Port Colburne, where he met and married Ellen Marjorie McKenzie. They came to Windsor in 1967, where he practised family medicine until his demise. Ellen Marjorie passed away in 1996. He is survived by his present wife, Susanne. Some will remember J.P. as a tenor soloist participating in Christmas Mass at the Basilica in Ottawa. He loved his music and he took care of his patients."
