

## Correction

### Correction to “Canada’s response to the initial 2 years of the COVID-19 pandemic: a comparison with peer countries”

*CMAJ* has been made aware of an error that occurred in the June 27, 2022, issue.<sup>1</sup>

In panel C of Figure 2, the x-axis label reads, “Days below G10 90th percentile of Stringency Index.” This should have read, “Days below G10 10th percentile of Stringency Index.”

This error, which occurred during the article production process, has been corrected at [cmaj.ca](http://cmaj.ca).
