

CMAJ - Canadian Medical Association Journal

Results from the CMA's 2001 Physician Resource Questionnaire

Canadian versus American/international sites

Do you tend to recommend Canadian Web sites rather than American or other international Web sites?

(includes only those who said they refer patients to web sites)

	Number of respondents	Yes	No	No Response	Total
Overall	1571	49.7%	36.1%	14.2%	100%
Female	485	54.8%	27.8%	17.3%	100%
Male	1086	47.4%	39.8%	12.8%	100%
< 35	148	57.4%	32.4%	10.1%	100%
35 - 44	475	50.3%	35.8%	13.9%	100%
45 - 54	543	49.2%	38.7%	12.2%	100%
55 - 64	301	47.2%	35.2%	17.6%	100%
65+	104	46.2%	31.7%	22.1%	100%
GP/FP	786	57.3%	28.9%	13.9%	100%
Medical Specialist	558	43.4%	42.8%	13.8%	100%
Surgical Specialist	227	39.2%	44.5%	16.3%	100%
Rural	134	56.0%	24.6%	19.4%	100%
Urban	1437	49.1%	37.2%	13.7%	100%
