

## Senior editorial team

Date: 2019 November 26

### Contact information

Name	Matthew B. Stanbrook MD PhD FRCPC FACP FCCP
Affiliations	Dr. Matthew B. Stanbrook joined CMAJ in 2007 as Deputy Editor, Scientific. He is an Associate Professor in the Department of Medicine and the Institute of Health Policy, Management and Evaluation at the University of Toronto. He maintains an active subspecialty practice in Respiriology at the Asthma & Airways Centre of the University Health Network in Toronto. He is also an Affiliate Scientist at the Institute for Clinical Evaluative Sciences in Ontario (ICES), with areas of research including the clinical epidemiology of COPD and asthma, the risks and benefits of electronic cigarettes and other alternative nicotine products, and the role of medical journals in knowledge translation. Dr. Stanbrook has also worked as an Associate Editor of ACP Journal Club since 2006. He has served as a Core Member of Health Canada's Scientific Advisory Committee on Respiratory and Allergy Therapies since 2006. Since 2013, he has worked from time to time as a Medical Columnist for CBC Radio.
Biographical details	Dr. Stanbrook completed medical school and residencies in Internal Medicine and Respiriology at the University of Toronto. He subsequently undertook additional research training in the Royal College Clinician Investigator Program. From 2001-2002, he served as Editorial Fellow at The New England Journal of Medicine in Boston, then returned to Toronto to complete a PhD in Clinical Epidemiology. He received full appointment to the University of Toronto Faculty of Medicine in 2005.

## Declaration of competing interests
