Medical conversations that matter
LISTEN UP!
cmaj.ca/podcasts
Cornwall is situated in Eastern Ontario on the St. Lawrence River, one hour west of Montreal and one hour Southeast of Ottawa, as well as being minutes away from the US border. Cornwall is served by Ontario’s Highway 401 and has a VIA Rail station with easy access to major Canadian cities with Toronto being about 3.5 hours away by train. The area is within easy reach of skiing and the river offers a variety of great sailing and water recreational activity.

Psychiatry
Cornwall Hospital is a Schedule 1 facility that provides a full range of acute inpatient, outpatient and community mental health services to their catchment area of 100 000 people from the communities of Cornwall, the United Counties of Stormont, Dundas and Glengarry and to the Mohawk Community of Akwesasne.

Our 16-bed Inpatient Unit is supported by a Long-acting Injection Clinic and a Day Hospital. As well, our new Community Addiction and Mental Health Centre, that was completed in 2016, provides a range of services for all ages. It offers a robust roster of community-based services, including Adult Mental Health, Addiction Services, Community Withdrawal Management, Geriatric Mental Health, First Episode Psychosis, Mental Health Crisis, Assertive Community Treatment, Children and Youth Mental Health Services.

Whether a member of the Community team or the Inpatient team, our staff work to ensure quality, seamless care. This integrated approach to care is further aided by strong ties with community groups, family/caregiver and client advisory committees and regional partners.

If you are looking to work with an interdisciplinary team — in a setting that encourages work-life balance — contact the Cornwall Community Hospital today.

Of note, successful candidates may be eligible for reimbursement of some relocation expenses.

Neurologist
The Cornwall Community Hospital provides a wide range of medical specialties, which include Anaesthesia, Dentistry, Emergency, Gastroenterology, General Surgery, General and Family Practice, Gynaecology, Internal Medicine, Neurology, Obstetrics, Ophthalmology, Orthopaedics, Paediatrics, Psychiatry, Rehabilitation and Urology as well as an excellent Radiology Service with Ultrasound, CT Scan and MRI.

As a Regional Stroke Center, the Cornwall Community Hospital provides leadership, development, implementation and coordination of stroke care throughout its region and across all points in the spectrum of stroke care. In addition to inpatient and outpatient consultation for the community, our neurologist will provide call coverage for our emergency department and inpatient services.

The successful candidate will have the opportunity to read the EEGs and EMGs done at CHH.

The hospital has a state-of-the-art Stroke Prevention Clinic where our neurologist can see patients with the full in-hospital support of nursing, record keeping, appointment booking and follow up/referral coordination.

Cornwall Hospital has a closed ICU model, where our neurologist would be able to participate in patient care and consultations.

Our neurology service is entitled to a well-funded HOCC (on call coverage) program, providing a daily stipend in addition to OHIP fee for service when on call.

The successful applicant holds a Royal College of Physicians and Surgeons of Canada certification of Neurology and is expected to share hospital on-call duties. Hospital on-call pediatric coverage includes seeing healthy newborns, managing pediatric inpatients, seeing ER consults at the request of ER physicians as well as attendance at delivery if requested by our obstetrical colleagues.

Our department works closely with the Children’s Hospital of Eastern Ontario (CHEO) whose specialist teams provide advice by phone as well as emergency transport for inpatients needing tertiary levels of care. CHEO is also our referral centre to help manage more complex patients.

Of note, successful candidates may be eligible for reimbursement of some relocation expenses.

Full-Time FRCP or GP Anesthesiologist
Cornwall Community Hospital is seeking a full-time Anesthesiologist to join our team of five full-time collegial Anesthesiologists, working in a supportive, relaxed, and varied setting. Additionally, the team has a full-time Anesthesia Assistant who greatly increases our operating room efficiency.

Cornwall Community Hospital is a 170-bed acute care hospital, providing surgical services in the specialties of Orthopedics, General Surgery, Obstetrics & Gynecology, Otolaryngology, Plastic Surgery, Endoscopy, Pediatric Dental Surgery, Urology, and Ophthalmology. We enjoy good support from our Intensivist colleagues in a 12-bed ICU, as well as from an Internal Medicine preoperative optimization clinic.

There is potential to become involved in simulation activities in the hospital if so desired.

Payment is through fee for service (OHIP) with on call stipends (HOCC) for call shifts.

Candidates would be required to have an independent license with the CPSO.

If you are interested in any of these positions, please forward inquiries and CV to:

Family Physician: BC – Family medicine on a West Coast Gulf Island. Ever dreamed of practising family medicine on a rural island off the West Coast of BC? Well, here’s your chance. Denman Island Medical Clinic provides full family practice for a broad demographic of about 1200 permanent residents which swells to about 1600 in Summer. Currently, three part-time FPs share 1 FTE; the available slot is 2-3 days, up to 4 if desired. This Fee-for-Service position is eligible for additional remuneration in accordance with the Rural Subsidiary Agreement (RSA). EMR: Telus Med Access. Start date: Jan. 1, 2021. As a Primary Care Network clinic, allied health providers are available including a social worker and a pharmacist. The building is owned by a non-profit society and provides space for a physiotherapy and rehabilitation, medical laboratory nurse, and a non-profit society providing home care and family and youth counseling. Denman Island is one of two islands just 20 minutes south of Courtenay in the Comox Valley; the other is Hornby Island. The island has endless opportunities for outdoor recreation and hosts festivals, music concerts, plays, etc. all year round. There is a general store, post office, hardware store, craft store, bookstore/coffee shop, and a bistro with both food and entertainment. There are two community halls: one providing an entertainment and meeting space; the other housing a fitness centre and providing activity space. Elementary education is provided at the Denman Community School (School District 71) and a preschool is provided by the Blackberry Lane Children’s Centre. The island is serviced by BC Ferries. Contact: Lyndsey Jennings, email jennings@divisionsbc.ca

REQUEST FOR EXPRESSION OF INTEREST
Co-Medical Director, Public Health Focus
BC Centre on Substance Use

POSITION SUMMARY:
The BC Centre on Substance Use’s (BCCSU’s) Co-Medical Directors provides addiction medicine and public health leadership within the centre and collaborate with relevant external stakeholders and health system partners, including health care providers, health authorities, ministries, regulatory colleges, and academic institutions.

- Provides advice on BCCSU’s organizational strategy and its shared work plan with government
- Organizes, oversees and mentors/supports physicians and other health professional committee members
- Collaborates with Clinical and Education Leadership to:
  - develop targeted promotion strategies to increase clinician uptake of clinical guidelines and education programs
  - identify and support the development of innovative resources based on patient, family and clinician needs
  - reviews education delivery modalities to ensure they are current, easily accessible, clinically accurate, and support the educational needs of clinicians across the province
  - provide advice on relevant tools and mechanisms to measure, monitor and evaluate progress of clinical initiatives

QUALIFICATIONS:
- A medical degree recognized in Canada
- Eligible for a license to practice medicine in BC, and in good standing with relevant regulatory bodies
- Relevant specialty training in public health
- Currently practicing or in-depth knowledge in the area of addiction medicine is an asset
- An understanding of the BC health system is an asset
- Proven experience in an interdisciplinary leadership capacity
- Experience in an academic/research setting is an asset

ESTIMATED TIME COMMITMENT:
1.5 days/week
