Paediatricians, incl. Department Chief Full-Time & Locum Opportunities
Bluewater Health, Sarnia, Ontario

Bluewater Health is recruiting a progressive Chief to provide leadership to the Department. The Chief remuneration is .5 day/week, and it is expected that the physician leader will also have a clinical practice.

The Chief will work in collaboration with the Medical Director and Administrative Director of the Maternal Infant Child Program, to provide leadership in program visioning, planning, resource allocation, service excellence, research, and quality improvement. In addition, the Chief is responsible for ensuring that quality medical care is delivered, that professional medical practice is advanced, and that physicians function as partners in the care of patients within the program.

A Paediatrician interested in practicing at Bluewater Health will find:

- An ideal opportunity for full spectrum community paediatric practice
- Exciting opportunity to develop a chronic disease centre of excellence
- A level IIB NICU
- State-of-the-art equipment
- Child & adolescent psychiatry available
- A child and family-friendly community
- Children's mental health centre, and children's treatment centre available in community
- Remuneration is fee for service

The ideal candidate for the position will have:

- FRCP or acceptable equivalent in Paediatrics
- Eligible for Independent License with the College of Physicians and Surgeons of Ontario (CPSO)
- Strong interpersonal & collaborative skills and dedicated to service excellence
- Participation in training of residents/medical students is desirable
- Canadian Permanent Residency or be a Canadian citizen

Bluewater Health operates 300 beds at hospitals in Sarnia and Petrolia. We are award winning, Accredited with Exemplary Standing, and have state-of-the-art facilities. We offer an array of specialized acute, complex continuing care, allied health and ambulatory care services including:

- A broad range of diagnostic services, including CT and MRI
- Full spectrum of specialists available 24/7 (neurosurgery not available)
- Fully staffed 24-hour high volume 2 emergency departments (Sarnia & Petrolia)
- Affiliated with Western University's Distributed Education Network
- Collegial medical staff community

For the third year in a row, Newsweek has recognized Bluewater Health as one of the best hospitals in Canada.

We are committed to improving the patient experience using engagement, Lean, and innovation.

Practicing at Bluewater Health from a physician perspective: https://youtu.be/xLmrdZm4j_c

Situated on the shores of Lake Huron at the Michigan border, Sarnia offers excellent quality of life, sports, arts and culture, education, state-of-the-art health care, and beautiful natural environment.

Radiologists

Mayfair, a 50+ partner radiologist-owned and operated practice, with a large presence in Western Canada, is inviting application for radiologists interested in partnership-track positions in both subspeciality (including MSK, Chest/Cardiac, Neuro, Body, Breast/Women’s Imaging, and Interventional Radiology) and general clinic work.

We are also seeking radiologists for short/long-term contractor positions, for both on site and tele-radiology work. The work profile can be tailor made to the background training, area of expertise as well as interest of the Radiologist.

We offer a diversified mix of hospital and clinic work, competitive remuneration, flexible vacation, research and teaching opportunities and job security.

Candidates should be eligible for registration with the Royal College of Physicians and Surgeons of Canada (or have equivalent credentials).

For more information or expression of interest please email at radrecruiting@radiology.ca

**Pediatric Opportunities**

Cornwall Community Hospital in Cornwall, Ontario is actively looking for full-time and locum pediatricians.

We are level 1 community hospital with a mixed pediatric / OB unit providing care to a catchment area of 90,000 people. Our team is composed of 1 full-time pediatrician and 3 OB/GYN physicians. A full-time candidate would be expected to share hospital on-call duties. Hospital on-call pediatric coverage includes seeing healthy newborns, managing pediatric inpatients, seeing ER Consults at the request of ER physicians as well as attendance at delivery if requested by our obstetrical colleagues.

Our department works closely with the Children's Hospital of Eastern Ontario (CHEO) whose specialist teams provide advice by phone as well as emergency transport for inpatients needing tertiary levels of care. CHEO is also our referral centre to help manage more complex patients.

Cornwall has an exceptional location on the shores of the St Lawrence River. The city is located about one hour’s drive from Ottawa and Montreal as well as being minutes away from the US border. Many doctors in our community commute from Montreal and Ottawa. Cornwall has a VIA Rail station with easy access to major Canadian cities with Toronto being about 3.5 hours away by train.

Of note, successful candidates may be eligible for reimbursement of some relocation expenses.
