CMAJ | May–June 2022
Queen’s University
Department of Family Medicine
Academic Family Physician – Assistant Program Director

The Department of Family Medicine seeks a full-time academic family physician – Assistant Program Director.

The Assistant Program Director will be responsible for assisting the Program Director in administering the overall conduct of the residency program.

The preferred candidate will possess leadership ability, strong communication and interpersonal skills, effective advocacy skills, and be committed to continuous learning.

The preferred candidate will also have demonstrated experience or interest in clinical teaching of both undergraduate medical students and postgraduate trainees. With the implementation of competency-based medical education (CBME) and assessment into the department’s postgraduate program, the successful candidate will be required to participate on a regular basis in the supervision of residents and medical students.

Clinical responsibilities will be based at the Queen’s Family Health Team in Kingston and include taking call approximately two nights per month and four weekends per year.

Preference will be given to applicants who can provide evidence of current involvement and commitment to education through the submission of an educational dossier and the identification of referees who can attest to the applicant’s educational expertise. A Master’s level degree is considered an asset.

Applicants must be eligible for licensure with the College of Physicians and Surgeons of Ontario on or before the appointment start date, and preference will be given to applicants who have current, valid certification (or equivalent) in family medicine from the College of Family Physicians of Canada.

We are committed to employment equity and diversity in the workplace and welcome applications from individuals from equity-seeking groups such as women, racialized/visible minorities, Indigenous Peoples, persons with a disability, persons who identify in the 2SLGBTQIA+ community, and others who reflect the diversity of Canadian society. All qualified candidates are encouraged to apply; however, in accordance with Canadian immigration requirements, Canadian citizens and permanent residents of Canada will be given priority. We will provide support in the application processes to applicants with disabilities, including accommodation that takes into account an applicant’s accessibility and accommodation needs during the interview process.

If you require accommodation during the interview process, please contact Laura Kennedy in The Department of Family Medicine via email: laura.kennedy@queensu.ca

To comply with federal laws, the University is obliged to gather statistical information as to how many applicants for each job vacancy are Canadian citizens / permanent residents of Canada. Applicants need not identify their country of origin or citizenship; however, all applications must include one of the following statements: “I am a Canadian citizen / permanent resident of Canada”; OR, “I am not a Canadian citizen / permanent resident of Canada.” Applications that do not include this information will be deemed incomplete.

Review of applications will commence immediately and continue until the position is filled. Applicants are asked to send a curriculum vitae, the names and contact information of three referees and a letter outlining how current qualifications and experience match our requirements to:

Dr. Michael Green, Head
Department of Family Medicine, Queen’s University
Email: laura.kennedy@queensu.ca
Sault Ste. Marie has a progressive healthcare industry that includes a modern, state-of-the-art hospital with over 1800 employees and 200 physicians as well as the Group Health Centre, the largest multi-specialty ambulatory care centre in Ontario serving over 115,000 residents of the Algoma District. Sault Ste. Marie has opportunities in Family Medicine, Obstetrics & Gynecology, Urology, Internal Medicine, Psychiatry, Gastroenterology.

Contact Christine Pagnucco PagnuccoC@sah.on.ca or visit www.welcometossm.com to learn more.
Chief and Medical Director
Department of Medicine
St. Joseph’s Health Centre Site
Unity Health Toronto

Applications are invited for the position of Chief and Medical Director, Department of Medicine, at the St. Joseph’s Health Centre site of Unity Health Toronto. The successful candidate must be eligible for appointment at the rank of Assistant, Associate or Full Professor at the University of Toronto. The anticipated start date is October 1st, 2022 or as mutually agreed upon, for a five-year term, renewable once upon successful review.

St. Joseph’s Health Centre is the largest clinical department at St. Joseph’s Health Centre with 62 Active Staff Physicians providing high quality ambulatory and inpatient clinical care with dedicated in-patient beds that include subspecialty wards and an 18-bed ICU and 6-bed CCU. The Department has a long tradition of excellence in education with undergraduate and postgraduate medicine teaching through the University of Toronto.

The Department seeks an outstanding clinician with excellent leadership skills and previous administrative experience with a strong commitment to excellence in clinical care, quality improvement, education, and research. While this role is based at the St. Joseph’s Health Centre site, this individual will foster partnerships and collaboration within both Unity Health Toronto and the broader health care system, contributing to new innovative models of care for patients. The successful candidate will have a personal record of excellence in clinical activity, administration and leadership in research and/or education.

This individual will promote equity and diversity in the department, recognizing this as a major determinant of success. The Chief and Medical Director will be responsible for clinical and academic activities within the Department and will ensure the highest quality in patient care services. They will ensure the growth of the departmental research and education programs and will foster collaborations with the Li Ka Shing Knowledge Institute, and external partners. The qualified applicant will, or be eligible to, hold a Fellowship of the Royal College of Physicians and Surgeons of Canada in Medicine and/or one of its subspecialties and medical licensure in the province of Ontario. The successful applicant must have status to be eligible to hold the rank of Assistant Professor or higher in the Department of Medicine at the University of Toronto. Salary will be commensurate with qualifications and experience.

Interested individuals should submit a letter of application, a curriculum vitae and the names and addresses of three referees no later than July 1st, 2022 to:

Ms. Maria Martins c/o
Dr. Kunuk Rhee, Vice President, Medical Affairs
St. Joseph’s Health Centre
30 The Queensway, Room 1M124
Toronto, ON M6R 1B5
Email: maria.martins@unityhealth.to

For more information about the Department of Medicine, University of Toronto please visit http://www.deptmedicine.utoronto.ca. For more information about Unity Health Toronto please visit http://www.unityhealth.to

The University of Toronto and Unity Health Toronto are strongly committed to diversity within its community and especially welcomes applications from racialized persons/persons of colour, women, Indigenous/Aboriginal People of North America, persons with disability, LGBTQ persons, and others who may contribute to further diversification of ideas. All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.

Paediatricians, incl. Department Chief Full-Time & Locum Opportunities
Bluewater Health, Sarnia, Ontario

Bluewater Health is recruiting a progressive Chief to provide leadership to the Department. The Chief remuneration is .5 day/week, and it is expected that the physician leader will also have a clinical practice.

The Chief will work in collaboration with the Medical Director and Administrative Director of the Maternal Infant Child Program, to provide leadership in program visioning, planning, resource allocation, service excellence, research, and quality improvement. In addition, the Chief is responsible for ensuring that quality medical care is delivered, that professional medical practice is advanced, and that physicians function as partners in the care of patients within the program.

A Paediatrician interested in practicing at Bluewater Health will find:
• An ideal opportunity for full spectrum community paediatric practice
• Exciting opportunity to develop a chronic disease centre of excellence
• A level IIb NICU
• State-of-the-art equipment
• Child & adolescent psychiatry available
• A child and family-friendly community
• Children's mental health centre, and children's treatment centre available in community
• Remuneration is fee for service

The ideal candidate for the position will have:
• FRCP or acceptable equivalent in Paediatrics
• Eligible for Independent License with the College of Physicians and Surgeons of Ontario (CPSO)
• Strong interpersonal & collaborative skills and dedicated to service excellence
• Participation in training of residents/medical students is desirable
• Canadian Permanent Residency or be a Canadian citizen

Bluewater Health operates 300 beds at hospitals in Sarnia and Petrolia. We are award winning, Accredited with Exemplary Standing, and have state-of-the-art facilities. We offer an array of specialized acute, complex continuing care, allied health and ambulatory care services including:
• A broad range of diagnostic services, including CT and MRI
• Full spectrum of specialists available 24/7 (neurosurgery not available)
• Fully staffed 24-hour high volume 2 emergency departments (Sarnia & Petrolia)
• Affiliated with Western University's Distributed Education Network
• Collegial medical staff community

Newsweek has recognized Bluewater Health as one of the best hospitals in Canada for the fourth year in a row. We are committed to improving the patient experience using engagement, Lean, and innovation.

Practicing at Bluewater Health from a physician perspective: https://youtu.be/xLmd2m4j_c

Situated on the shores of Lake Huron at the Michigan border, Sarnia offers excellent quality of life, sports, arts and culture, education, state-of-the-art health care, and beautiful natural environment.

Queen’s University
Department of Family Medicine

Academic Family Physician – Research Director

The Department of Family Medicine seeks a full-time academic family physician – Research Director (incumbent will be eligible for an endowed chair).

The position as Director of Research includes the role of Director, Centre for Studies in Primary Care. Preference will be given to senior scholars whose research and teaching clearly demonstrate a focus on primary care research. As Director of the Centre for Studies in Primary Care (CSPC) and an Academic Family Physician, the incumbent will report to the Head of the Department of Family Medicine.

The incumbent will be eligible for an endowed chair: The Walter Rosser Chair in Family Medicine Research. This prestigious position recognizes the pioneering work of Dr. Rosser in advancing the research contributions of family physicians in the advancement of clinical care of our patients.

The preferred candidate will have a combination of academic and clinical experience, with demonstrated clinical expertise in family medicine, will exhibit strong potential for innovative and scholarly research, and provide evidence of an ability to work in an interdisciplinary, collaborative environment.

Clinical responsibilities will be based at the Queen’s Family Health Team in Kingston and include taking call approximately two nights per month and four weekends per year.

Academic responsibilities include a combination of teaching, supervision of undergraduate and postgraduate learners and scholarly activity.

Preference will be given to applicants who can provide evidence of current involvement and commitment to education through the submission of an educational dossier and the identification of referees who can attest to the applicant’s educational expertise. A Master’s level degree is considered an asset.

Applicants must be eligible for licensure with the College of Physicians and Surgeons of Ontario on or before the appointment start date, and candidates should have a current, valid certification from the College of Family Physicians of Canada.

We are committed to employment equity and diversity in the workplace and welcome applications from individuals from equity-seeking groups such as women, racialized/visible minorities, Indigenous Peoples, persons with a disability, persons who identify in the 2SLGBTQIA+ community, and others who reflect the diversity of Canadian society. All qualified candidates are encouraged to apply; however, in accordance with Canadian immigration requirements, Canadian citizens and permanent residents of Canada will be given priority. We will provide support in the application processes to applicants with disabilities, including accommodation that takes into account an applicant’s accessibility and accommodation needs during the interview process. If you require accommodation during the interview process, please contact Laura Kennedy in The Department of Family Medicine via email: laura.kennedy@queensu.ca

**Clinical Cardiologist**
Newmarket and/or Barrie, ON

PACE Cardiology is a well-established leader in cardiac care, research and diagnostics. With a full range of outpatient services, PACE is looking for full or part-time Ontario licensed cardiologists to work at its Newmarket and Barrie clinics on-site, or virtually/remote. PACE clinics are located in York and Simcoe Regions, on the northern edge of the Greater Toronto Area and in Barrie, allowing easy access to city activities as well as a short distance to cottage country and ski resorts. Residents of York Region enjoy access to an array of real estate options and public and private schools, making the area a choice location for many young families and for those looking to leave the hustle and bustle of the city for the suburban lifestyle with easy access to the GTA.

Whether you are looking to move, expand your practice or simply looking to see a few more patients in your spare time, our bustling clinics offer a sound turn-key practice solution.

Full time candidates will have access to an equal share of referred-in imaging across the practice, based on their credentials. All investigations can be read and reported remotely. Candidates must hold or be eligible to hold an Independent Practice License with the College of Physicians and Surgeons of Ontario and be Royal College certified in cardiology.

To join the PACE team, please forward your CV to info@pace-cardiology.com. For more information visit, www.pace-cardiology.com, or call 1-888-862-0680.
