The Department of Family Medicine seeks a full-time academic family physician – Assistant Program Director.

The Assistant Program Director will be responsible for assisting the Program Director in administering the overall conduct of the residency program.

The preferred candidate will possess leadership ability, strong communication and interpersonal skills, effective advocacy skills, and be committed to continuous learning.

The preferred candidate will also have demonstrated experience or interest in clinical teaching of both undergraduate medical students and postgraduate trainees. With the implementation of competency-based medical education (CBME) and assessment into the department’s postgraduate program, the successful candidate will be required to participate on a regular basis in the supervision of residents and medical students.

Clinical responsibilities will be based at the Queen’s Family Health Team in Kingston and include taking call approximately two nights per month and four weekends per year.

Preference will be given to applicants who can provide evidence of current involvement and commitment to education through the submission of an educational dossier and the identification of referees who can attest to the applicant’s educational expertise. A Master’s level degree is considered an asset.

Applicants must be eligible for licensure with the College of Physicians and Surgeons of Ontario on or before the appointment start date, and preference will be given to applicants who have current, valid certification (or equivalent) in family medicine from the College of Family Physicians of Canada.

We are committed to employment equity and diversity in the workplace and welcome applications from individuals from equity-seeking groups such as women, racialized/visible minorities, Indigenous Peoples, persons with a disability, persons who identify in the 2SLGBTQIA+ community, and others who reflect the diversity of Canadian society. All qualified candidates are encouraged to apply; however, in accordance with Canadian immigration requirements, Canadian citizens and permanent residents of Canada will be given priority. We will provide support in the application processes to applicants with disabilities, including accommodation that takes into account an applicant’s accessibility and accommodation needs during the interview process. If you require accommodation during the interview process, please contact Laura Kennedy in The Department of Family Medicine via email: laura.kennedy@queensu.ca

To comply with federal laws, the University is obliged to gather statistical information as to how many applicants for each job vacancy are Canadian citizens / permanent residents of Canada. Applications that do not include this information will be deemed incomplete.

Review of applications will commence immediately and continue until the position is filled. Applicants are asked to send a curriculum vitae, the names and contact information of three referees and a letter outlining how current qualifications and experience match our requirements to:

Dr. Michael Green, Head
Department of Family Medicine, Queen’s University
Email: laura.kennedy@queensu.ca

Queen’s University
Department of Family Medicine — Division of Hospital Medicine Academic Family Physician Opportunities

The Queen’s Department of Family Medicine (DFM) is seeking academic family physicians for the role of hospitalists in beautiful and historic Kingston, Ontario. Opportunities include one week per month, two weeks per month, half-time and full-time roles.

With a combination of academic and clinical experience, preferred candidates will have their clinical responsibilities based within DFM’s Hospital Medicine Division. The hospitalists will provide care within Providence Care Hospital (PCH) and the Transitional Care Centre.

The hospitalists will be members of the on-call group providing on-call coverage. Preferred candidates will also work closely with hospitalists within the Kingston Health Sciences Centre and the Stroke Transitional Unit, to ensure a smooth transition of patients to PCH.

Among their academic responsibilities, preferred candidates will undertake family medicine-based hospital medicine research. They will also assume educational duties that realize DFM’s SEAMO deliverables. These duties may include pursuing education and curriculum development opportunities for residents interested in hospitalist medicine, as well as undergraduate medical education opportunities.

Applicants must be eligible for licensure with the College of Physicians and Surgeons of Ontario on or before the appointment start date. Preference will be given to applicants who have current, valid certification (or equivalent) in family medicine from the College of Family Physicians of Canada.

Rich in history, culture, attractions, and cuisine, Kingston consistently ranks as one of the best places to live in Canada, offering an abundance of festivals, concerts, and events; unique restaurants, pubs, and cafés; historic sites, live theatre, museums, art galleries, and eclectic shopping; and beautiful running, hiking, and biking trails along Lake Ontario, all within our downtown core: visitkingston.ca

Queen’s University is committed to employment equity and diversity in the workplace and welcomes applications from individuals from equity-seeking groups such as women, racialized/visible minorities, Indigenous/Aboriginal peoples, persons with a disability, persons who identify in the LGBTQ2S+ community and others who reflect the diversity of Canadian society. All qualified candidates are encouraged to apply; however, in accordance with Canadian immigration requirements, Canadian citizens and permanent residents of Canada will be given priority.

To comply with federal laws, the university is obliged to gather statistical information as to how many applicants for each job vacancy are Canadian citizens/permanent residents of Canada. Applicants need not identify their country of origin or citizenship; however, all applications must include one of the following statements: “I am a Canadian citizen/permanent resident of Canada” OR “I am not a Canadian citizen/permanent resident of Canada.” Applications that do not include this information will be deemed incomplete.

The university will provide support in the application process to applicants with disabilities, including accommodation that takes into account an applicant’s accessibility needs. If you require accommodation during the interview process, please contact Laura Kennedy, Department of Family Medicine, at laura.kennedy@queensu.ca.

Application review will commence immediately and continue until positions are filled. Letters of application outlining how current qualifications and experience match our requirements (and including one of the two statements regarding Canadian Citizenship/permanent resident status specified above), accompanied by a curriculum vitae and the names and contact information of three (3) referees, should be directed to:

Dr. Michael Green, Head, Department of Family Medicine
Queen’s University, 220 Bagot Street, PO Bag 8888, Kingston, Ontario K7L 5E9
Email: laura.kennedy@queensu.ca

Radiologists

Mayfair, a 50+partner radiologist-owned and operated practice, with a large presence in Western Canada, is inviting application for radiologists interested in partnership-track positions in both subspecialty (including MSK, Chest/Cardiac, Neuro, Body, Breast/Women's Imaging, and Interventional Radiology) and general clinic work.

We are also seeking radiologists for short/long-term contractor positions, for both on site and tele-radiology work. The work profile can be tailormade to the background training, area of expertise as well as interest of the Radiologist.

We offer a diversified mix of hospital and clinic work, competitive remuneration, flexible vacation, research and teaching opportunities and job security.

Candidates should be eligible for registration with the Royal College of Physicians and Surgeons of Canada (or have equivalent credentials).

For more information or expression of interest please email at radrecruiting@radiology.ca

Family Physicians

Winterberry Family Medicine invites applications for full & part time Family Physicians.

We are a successful and well-known Primary Care Clinic that is committed to helping patients live their best life. We provide in office, virtual and house call appointments to patients which gives you flexibility and choice over the care and means you provide.

As part of the Winterberry team you will be supported by a large, highly skilled and caring team of FPs, NPs, PAs, RNs and RPNs all with managers and support staff to make life more fluid and medicine-focused for you.

At Winterberry we transitioned out of our FHO and FHT model, and adopted a Family Health Group (FHG) model which, in our considered opinion, delivers a payment model that offers maximum incentive and flexibility to you and the clinic.

Winterberry focuses on enabling and resourcing physicians to focus on their expertise - family medicine while our capable team manages everything else.

We invite you to read the full job description including guaranteed minimum gross full-time pay for new recruits of up to $325,000 plus incentives at our Join The Team page: (winterberrymedical.ca/join-the-team).
Queen’s University
Department of Family Medicine
Academic Family Physician
– Research Director

The Department of Family Medicine seeks a full-time academic family physician – Research Director (incumbent will be eligible for an endowed chair).

The position as Director of Research includes the role of Director, Centre for Studies in Primary Care. Preference will be given to senior scholars whose research and teaching clearly demonstrate a focus on primary care research. As Director of the Centre for Studies in Primary Care (CSPC) and an Academic Family Physician, the incumbent will report to the Head of the Department of Family Medicine.

The incumbent will be eligible for an endowed chair: The Walter Rosser Chair in Family Medicine Research. This prestigious position recognizes the pioneering work of Dr. Rosser in advancing the research contributions of family physicians in the advancement of clinical care of our patients.

The preferred candidate will have a combination of academic and clinical experience, demonstrated clinical expertise in family medicine, exhibit strong potential for innovative and scholarly research, and provide evidence of an ability to work in an interdisciplinary, collaborative environment.

Clinical responsibilities will be based at the Queen’s Family Health Team in Kingston and include taking call approximately two nights per month and four weekends per year.

Academic responsibilities include a combination of teaching, supervision of undergraduate and postgraduate learners and scholarly activity.

Preference will be given to applicants who can provide evidence of current involvement and commitment to education through the submission of an educational dossier and the identification of referees who can attest to the applicant’s educational expertise. A Master’s level degree is considered an asset.

Applicants must be eligible for licensure with the College of Physicians and Surgeons of Ontario on or before the appointment start date, and candidates should have a current, valid certification from the College of Family Physicians of Canada.

We are committed to employment equity and diversity in the workplace and welcome applications from individuals from equity-seeking groups such as women, racialized/visible minorities, Indigenous Peoples, persons with a disability, persons who identify in the 2SLGBTQIA+ community, and others who reflect the diversity of Canadian society. All qualified candidates are encouraged to apply; however, in accordance with Canadian immigration requirements, Canadian citizens and permanent residents of Canada will be given priority. We will provide support in the application processes to applicants with disabilities, including accommodation that takes into account an applicant’s accessibility and accommodation needs during the interview process. If you require accommodation during the interview process, please contact Laura Kennedy in The Department of Family Medicine via email: laura.kennedy@queensu.ca

To comply with federal laws, the University is obliged to gather statistical information as to how many applicants for each job vacancy are Canadian citizens / permanent residents of Canada. **Pediatrician**

**Mississauga, Ontario**

The Toronto Outpatients Medical Clinic, located in Mississauga (a 15-minute drive from the Toronto airport), is looking for a pediatrician to staff its busy outpatient medical clinic. Established in 1988, our clinic was one of the first multispecialty outpatient clinics in the Greater Toronto Area. Since that time, we have continued to provide care for walk-in patients from 8 am to 11 pm, 7 days a week, including holidays. On-call suite available for out-of-town physicians. This position offers a competitive salary, flexible hours, and no on-call requirements.
