Psychiatrist

Bluewater Health, Sarnia, Ontario

Bluewater Health is recruiting a psychiatrist to provide general psychiatry clinical care for hospital patients and Sarnia-Lambton residents. Remuneration is fee for service.

The ideal candidate for the position will have:

- Fellow, RCPSC or equivalent in Psychiatry
- Registration with the CPSO (or eligible)
- Exceptional interpersonal & collaborative skills, dedicated to service excellence, strong team player
- Canadian Permanent Residency or be a Canadian citizen
- Experience in paediatric psychiatry is desirable
- Active interest in training of residents/medical students

Bluewater Health is a 300-bed hospital, serving the population of Lambton County at locations in Sarnia and Petrolia. We are award winning, Accredited with Exemplary Standing, and have state-of-the-art facilities. We offer an excellent array of mental health and addictions services to support you and the needs of your patients, including:

- Schedule 1 inpatient adult and adolescent psychiatry unit
- 4-bed Child & Adolescent Mental Health Service supported by community-based youth centre
- Outpatient psychiatric clinics
- Crisis Intervention Team
- ACT Team
- rTMS
- Community Treatment Orders
- Psychogeriatrics
- ECT program
- Eating Disorder program (affiliated with London for persons up to age 21)
- Addictions programming for adults and youth (substance and gambling)
- Integrated Withdrawal Management - Day, Community & in development: Residential (10 beds) & Stabilization (6 beds)
- ACCESS Open Minds opening within the year for youth (collaborative partnership with community providers)

As well the hospital offers a broad range of diagnostic services, including CT & MRI; and a full spectrum of specialists available 24/7. Bluewater Health is affiliated with Western University's training program for medical students and residents.

Newsweek has recognized Bluewater Health as one of the best hospitals in Canada for the fifth year in a row.

Practicing at Bluewater Health from a physician perspective: https://youtu.be/xLmrdZm4j_c

Situated on the shores of Lake Huron at the Michigan border, Sarnia offers warm weather, excellent quality of life, sports, arts and culture, education, and beautiful natural environment.

To apply, please send your CV and references to:

Pediatrician

The Department of Pediatrics in Queen's Health Sciences at Queen's University invites applications for a General Pediatrician to practice in **Brockville, Ontario**. The position will involve clinical practice in pediatrics as well as undergraduate and postgraduate teaching. Subspecialty interest may be an asset.

Practice Profile

- Community-based consultative practice.
- Women and Children's Health Care Team is currently comprised of 2 paediatricians, a General Practitioner who practices paediatrics & paediatric gastroenterology, 3 Obstetrician/Gynecologists, Family Physicians, Midwives, Nurses and Social Workers. Approx. 300 deliveries annually.
- Participation in On Call rotation 1 in 3.

Remuneration

- Alternate Funding Plan (AFP) with Southeastern Ontario Academic Medical Organization (SEAMO).
- Hospital On Call Compensation (HOCC)

Qualifications

Qualified applicants will hold an MD degree (or equivalent), have completed postgraduate qualifications prior to appointment, and have or be eligible for licensure with the College of Physicians and Surgeons of Ontario and certification from the Royal College of Physicians and Surgeons of Canada.

Applicants must also demonstrate a strong aptitude for teaching at both the undergraduate and postgraduate levels and/or research. Applicants should provide evidence of an ability to work in an interdisciplinary, collaborative environment.

Queen's University is recognized nationally for the quality of its undergraduate and graduate programs, which attracts outstanding students. Queen's University is an integral part of the vibrant Kingston community in the heart of the Thousand Islands region of southeastern Ontario. It has a community spirit and amenities unmatched by any other Canadian university. The University and the region offer an outstanding academic and community environment (www.queensu.ca).

Prior to May 1, 2022, the University required all students, faculty, and visitors (including contractors) to declare their COVID-19 vaccination status and provide proof that they were fully vaccinated or had an approved accommodation to engage in in-person University activities. These requirements were suspended May 1, 2022. However, they remain in effect for students, staff, and 2 faculty in workplaces, including hospitals, where patient care is provided and/or where the work duties or educational requirements of the position involve or support patient care.

The University invites applications from all qualified individuals. Queen's is strongly committed to employment equity, diversity, and inclusion in the workplace and encourages applications from Black, racialized/visible minority and Indigenous/Aboriginal people, women, persons with disabilities, and 2SLGBTQA+ persons.

All qualified candidates are encouraged to apply; however, in accordance with Canadian immigration requirements, Canadian citizens and permanent residents of Canada will be given priority. To comply with Federal laws, the University is obliged to gather statistical information about how many applicants for each job vacancy are Canadian citizens/permanent residents of Canada. Applicants need not identify their country of origin; however, all applications must include one of the following statements: "I am a Canadian citizen/permanent resident of Canada"; OR, "I am not a Canadian citizen/permanent resident of Canada." Applications that do not include this information will be deemed incomplete. The University will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant's accessibility needs. If you require accommodation during the interview process, please contact the Department of Pediatrics through the contact information listed below.

Inquiries and Applications

A cover letter and curriculum vitae, including the names of three referees should be directed to Dr. Kristin Finkenzeller, Chief, Department of Women and Children's Health, Brockville General Hospital. KFinkenzeller@brockvillegeneralhospital.ca, 75 Charles St, Brockville, ON, K6V 1S8.

Brockville General Hospital is a progressive, 160-bed community hospital with > 4,000 admissions annually, serving a regional population of 125,000.

Brockville (pop. 22,000) is conveniently located along hwy. 401, on the St. Lawrence River, in the beautiful 1000 Islands region; 75 km E of Kingston, 110 km S of Ottawa.

Review of applications will commence immediately and continue until position is filled.

Medical Oncology Practice Opportunity

Join Northeastern Ontario's healthcare leader

Health Sciences North (<http://www.hsnsudbury.ca/>) is recruiting health care professionals who have a keen interest in affecting change within its dynamic health care system. As the tertiary care referral centre for the entire Northeastern Ontario region, HSN serves a catchment population of over 600,000 residents.

HSN's Northeast Cancer Centre is currently seeking a permanent 1.0 FTE Medical Oncologist to join its Systemic Treatment Group in the Spring of 2024 or later. The collegial team of 13 Medical Oncologists/Haematologists, a group of 6 General Practitioners in Oncology, and 7 Radiation Oncologists, enjoys an active Clinical Research Department which provides ample opportunity for Clinical Trials participation, including the capability of performing clinical research in-house.

As a large tertiary care provider, HSN serves as the regional resource and referral centre for the entire Northeastern Ontario region, serving over 600,000 residents. Its Northeast Cancer Centre is a modern, well-equipped facility integrated within a new state-of-the-art hospital and includes dedicated in-patient oncology/haematology and palliative care beds. We are also provincial leaders in providing virtual care to patients from across the northeast.

Candidates must have obtained specialty qualifications from the Royal College of Physicians and Surgeons of Canada (or its equivalent) and be independently licensed or eligible for licensure in Ontario; qualified Academic or Pathway A physicians will be considered on a case-by-case basis. Ability to communicate in both English and French is considered an asset.

All physicians are required to seek academic appointment at NOSM University (NOSM-U), and become involved in teaching undergraduate and postgraduate trainees. Research opportunities are also available through the Health Sciences North Research Institute (<http://www.hsnsudbury.ca/en/research>).

Come discover Sudbury's exceptional quality of life, abundant lakes, parklands and extensive recreational opportunities! Sudbury is a bilingual and multicultural community, and offers a variety of excellent elementary, secondary, and postsecondary education institutions. Physicians who practice full-time in Sudbury are eligible for attractive financial incentives.

If you are currently practicing or within one year of graduating, and are interested in opportunities in Sudbury, the Ministry of Health's Community Assessment Visit Program (<https://www.health.gov.on.ca/en/pro/programs/northernhealth/cav.aspx>) will cover travel and accommodation expenses for both you and your spouse to come explore our practice opportunity and the City of Greater Sudbury.

Interested individuals should send a letter of interest and CV to Dr. Jordan Herst, Head of Medical Oncology, by email to jherst@hsnsudbury.ca.

HSN thanks all applicants, but only those selected for an interview will be contacted.

Cornwall Community Hospital
Hôpital communautaire de Cornwall

Opportunities at Cornwall Community Hospital

Cornwall Community Hospital | Cornwall, Ontario

Cornwall is situated in Eastern Ontario on the St. Lawrence River, one hour west of Montreal and one hour Southeast of Ottawa, as well as being minutes away from the US border. Cornwall is served by Ontario's Highway 401 and has a VIA Rail station with easy access to major Canadian cities with Toronto being about 3.5 hours away by train. The area is within easy reach of skiing and the river offers a variety of great sailing and water recreational activity.

Paediatricians

Paediatricians would join our level 1 community hospital with a mixed paediatric/OB unit. Hospital on call paediatric coverage includes seeing healthy newborns, managing paediatric inpatients, seeing ER consults at the request of the ER physicians as well as attendance at delivery if requested. Our Department works closely with the Children's Hospital of Eastern Ontario (CHEO) who is also our referral center to help manage more complex patients. Remuneration is OHIP fee for service plus Hospital On Call Coverage (HOCC).

Psychiatry

Psychiatry candidates would join our Schedule 1 facility that provides a full range of acute inpatient, outpatient and community mental health services. Our 16-bed Inpatient Unit is supported by a Long-acting Injection Clinic and a Day Hospital. As well, our new Community Addiction and Mental Health Centre that was completed in 2016 provides a range of services for all ages. It offers a robust roster of community-based services, including: Adult Mental Health, Addiction Services, Community Withdrawal Management, Geriatric Mental Health, First Episode Psychosis, Mental Health Crisis, Assertive Community Treatment, Children and Youth Mental Health Services. Remuneration is OHIP fee for service, sessional fees and Hospital On Call Coverage (HOCC).

Family Physicians

Family Physicians have many options in Cornwall. Many of our family physicians are in a Family Health Organization (FHO) – some of these physicians have a solo practice and some are in a group practice. With a practice in Cornwall you can be as busy as you want. We have many families looking for a family physician. Some family physicians have paediatric patients where others prefer to keep to the 16 and over population.

Hospitalists

Hospitalists joining our well established and expanded program consisting of both family physicians and internists will provide primary care to medical inpatients with an emphasis on interdisciplinary team management. Remuneration is competitive, including 100% of fee-for-service billings, plus daily stipends or guaranteed stipend.

GPA and/or Anaesthesiologists

GPA and/or Anaesthesiologists work in a supportive, relaxed and varied setting. The team also has a full time anesthesiologist assistant who greatly increases our operating room efficiency. We provide surgical services in the specialties of Orthopaedics, General Surgery, Gynaecology and Obstetrics, Otolaryngology, Plastic Surgery, Paediatric Dental Surgery, Urology and Ophthalmology. Payment is through fee for service (OHIP) with on call stipends (HOCC) for call shifts.

Queen's
UNIVERSITY

**Critical Care
Medicine**

Academic Critical Care Physician Department of Critical Care Medicine, Queen's University

The Department of Critical Care Medicine is seeking qualified applicants for the position of Adult Critical Care Medicine Specialist. Preference will be given to those who either hold or are eligible for certification in Adult Critical Care Medicine by the Royal College of Physicians and Surgeons of Canada. Applicants must also possess expertise, training, and experience in respective base specialties of Anesthesiology, Emergency Medicine, Medicine, Surgery or Neurology. While this post is for a Critical Care Medicine position, shared positions may be explored for individuals who wish to maintain an active practice in their base specialties.

Operating at the Kingston General Hospital site of the Kingston Health Sciences Centre in a medical/surgical ICU with 34 beds and approximately 1000 admissions per year, the Critical Care Medicine service provides tertiary critical care services for the Southeastern Ontario referral region. There is a fully accredited Royal College Critical Care Medicine training program and a highly productive research program.

Preference will be given to applicants with a commitment to academic medicine. The successful incumbent will be expected to contribute to the education, scholarly, administration and research missions of the department. The successful candidate will hold a faculty appointment with academic rank in the Department of Critical Care Medicine. Academic rank will be commensurate with experience. Expertise in point of care ultrasound (POCUS) and/or Patient Safety and Quality Improvement is considered an asset.

Qualified applicants will hold an MD degree (or equivalent). Candidates must be eligible for licensure by the College of Physicians and Surgeons of Ontario. Members of the Department of Critical Care Medicine enjoy a competitive compensation package. Faculty and their dependents are eligible for an extensive benefits package including prescription drug coverage, vision care, dental care, long term disability insurance, life insurance and access to the Employee and Family Assistance Program. Employees also participate in a pension plan. Tuition assistance is available for qualifying employees, their spouses and dependent children. Queen's values families and is pleased to provide a 'top up' to government parental leave benefits for eligible employees on maternity/parental leave. In addition, Queen's provides partial reimbursement for eligible daycare expenses for employees with dependent children in daycare. For more information on employee benefits, see Queen's Human Resources.

Queen's University is recognized nationally for the quality of its undergraduate and graduate programs, which attracts outstanding students. Queen's University is an integral part of the vibrant Kingston community in the heart of the Thousand Islands region of southeastern Ontario. It has a community spirit and amenities unmatched by any other Canadian university. The University and the region offer an outstanding academic and community environment (www.queensu.ca).

Prior to May 1, 2022, the University required all students, faculty, staff, and visitors (including contractors) to declare their COVID-19 vaccination status and provide proof that they were fully vaccinated or had an approved accommodation to engage in in-person University activities. These requirements were suspended May 1, 2022. However, they remain in effect for students, staff, and faculty in workplaces, including hospitals, where patient care is provided and/or where the work duties or educational requirements of the position involve or support patient care.

The University invites applications from all qualified individuals. Queen's is strongly committed to employment equity, diversity, and inclusion in the workplace and encourages applications from Black, racialized/visible minority and Indigenous people, women, persons with disabilities, and 2SLGBTQA+ persons. All qualified candidates are encouraged to apply; however, in accordance with Canadian immigration requirements, Canadian citizens and permanent residents of Canada will be given priority. Applications from all qualified candidates will be considered in the applicant pool. In order to support your employment at Queen's, we require you to indicate whether or not you will need a work permit.

The University will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant's accessibility needs. If you require accommodation during the interview process, please contact Anna Tavares at the email address shown below.

Those interested in this position should submit a complete application package, including the following documents:

- a cover letter, summarizing expertise, qualifications, and accomplishments relevant to the position. The cover letter should also indicate whether or not you will require a work permit and/or require support with an extension of your work permit in the future.
- a Curriculum Vitae; and,
- the names and full contact information of three referees.

Review of applications will commence immediately and will continue until the position is filled.

Pediatrician Mississauga, Ontario

The Toronto Outpatients Medical Clinic, located in Mississauga (a 15-minute drive from the Toronto airport), is looking for a pediatrician to staff its busy outpatient medical clinic. Established in 1988, our clinic was one of the first multispecialty outpatient clinics in the Greater Toronto Area. Since that time, we have continued to provide care for walk-in patients from 8 am to 11 pm, 7 days a week, including holidays. On-call suite available for out-of-town physicians. This position offers a competitive salary, flexible hours, and no on-call requirements.
