Cardiologist Associate

One Heart Care is a state-of-the-art, comprehensive cardiac consultation and diagnostic centre in Mississauga and one of the largest cardiac ambulatory facilities in Canada. We are looking for a Cardiologist Associate to join our dynamic and progressive group of 28 cardiologists to provide ambulatory cardiac services to our community. The successful candidate would have access to all diagnostic modalities, including nuclear cardiology. Very high income potential and extremely collegial environment. Hospital privileges are not required for this position. Candidates must have or be eligible for a CPSO license and have specialty certification in cardiology. Please contact Mr. Franck Hivert, Executive Director at franck.h@oneheartcare.ca

5107

Physicians: AB – Calgary. We are looking for full-time or part-time family physicians or specialists to join our clinic. This is a very busy clinic with a minor procedure room, serving the community for over 35 years. If you are looking for a busy practice from the first day, this will be your clinic. We will support you with guaranteed number of patients until you establish your practice. Relocation incentive for physicians moving from other cities/provinces is offered. To get a better idea about the services our clinic provides to the physicians, please contact clinic manager: Shelley, tel 403 280-2749 or email propertiesmedical@shaw.ca –5057

Family Physicians: AB – Calgary, Abbeydale Medical Clinic. Seeking full/part-time physicians. Locums/new graduates/physicians new to Calgary fully supported. Well-established, busy, professionally managed clinic. Good location with wonderful patients and a collegial team. Great income potential \$300,000 to \$500,000+. We value and adhere to ethical and evidence-based medical practices. Minimum guaranteed daily billing available; \$15,000 sign-on bonus for full time, negotiable prorated bonus for part time; 80/20 split or fixed overhead. Flexible hours and schedule. No evenings or on-call requirements. Part of Mosaic Primary Care Network (multidisciplinary team for patient care support, after-hours clinic/on call coverage). Backup for absences/leave. Accuro EMR. Clean, updated, state-of-the-art facility. Lots of patients on waitlist for a new family physician, lots of walk-ins from the community, ability to become busy quickly. Onsite: experienced MOAs, pharmacist, chronic disease management nurse, physiotherapy/massage/chiropractic, sleep testing, internal medicine and paediatric specialists. Patient's medical home style of practice but we also offer walk-in and virtual care. Optional: fast and automated charting using AI (artificial intelligence), dictation, remote access for patient care via EMR, messaging and clinic app for phone calls (physicians can bill for this). Please reach out directly: email admin@abbeydalemedical.ca –5119

Family Physician/Specialists: AB – Lily Medical Clinic/DMC located in Stony Plain/Edmonton. There is an immediate opening, available for full-time or part-time family physicians/specialists at our very busy group practice. We also welcome locums and new graduates. We are flexible and will fully

support your practice. We are a well-established and busy clinic in a great location. We also have established patient panels so this is a turnkey opportunity. We work fixed and flexible hours – whatever fits your needs (less or more hours) we accommodate, including weekends if needed. No on call requirements. Our group practice is supportive so when you are absent or go on leave, we back you up. We offer several options, including a lease/rent on a sq. ft. basis, partnerships, 80/20 overhead with an option for a fixed overhead. Fully EMR equipped. Great income potential of \$500,000+. Contact David directly via email dilymedical@gmail.com –5079

Specialist: ON – Ottawa. A group of 20 family physicians is looking for an office-based specialist to join their group. Full or part time. Contact: Dr. Tom Shapiro, email shapiroptom@yahoo.ca –9705

“In order to retain the enormous body of knowledge covered in medical school, the material needs to be continuously reviewed, not just to remember prior lectures, but also to integrate the old material with the new.”

Leanne Louie is a medical student at McMaster University
