Interior Health is seeking Radiologists to join our team across the beautiful southern interior of British Columbia. Explore your passions at work, while living with an abundance of recreational activities to suit your lifestyle.

Our communities feature some of the best weather conditions in Canada, with over 2,000 hours of sunshine annually. Further your radiology career and join a passionate team of highly motivated individuals here at Interior Health. It's better here.
The Queen's Department of Family Medicine is seeking family physicians to join the Queen's Family Health Organization (FHO) in beautiful, historic Kingston, Ontario. Clinical responsibilities will be based within the Queen's Family Health Team (QFHT). The preferred candidates will assume an existing practice and/or will roster new patients. They will be members of the on-call group providing call approximately two nights per month and four weekends per year.

The preferred candidates will have demonstrated experience or interest in clinical teaching of both undergraduate medical students and postgraduate trainees. With the implementation of competency-based medical education (CBME) and assessment into the department's postgraduate program, the successful candidate will be required to participate on a regular basis in the supervision of residents and medical students. This will include serving as an academic advisor for assigned residents, completing field notes and in-training evaluations; participating in practice examinations and in the preparation of such examinations; and attending faculty development sessions, in addition to continuing medical education as per departmental expectations.

Applicants must be eligible for licensure with the College of Physicians and Surgeons of Ontario on or before the appointment start date, and preference will be given to applicants who have current, valid certification (or equivalent) in family medicine from the College of Family Physicians of Canada.

Queen's University is an integral part of the vibrant Kingston community in the heart of the Thousand Islands region of southeastern Ontario. It has a community spirit and amenities unmatched by any other Canadian university. The University and the region offer an outstanding academic and community environment (www.queensu.ca).

The University invites applications from all qualified individuals. Queen's is strongly committed to employment equity, diversity, and inclusion in the workplace and encourages applications from Black, racialized/visible minority and Indigenous/Aboriginal people, women, persons with disabilities, and 2SLGBTQIA+ persons. All qualified candidates are encouraged to apply; however, in accordance with Canadian immigration requirements, Canadian citizens and permanent residents of Canada will be given priority. To comply with Federal Laws, the University is obliged to gather statistical information about how many applicants from each job vacancy are Canadian citizens/permanent residents of Canada, applicants need not identify their country of origin or citizenship, however, all applicants must include one of the following statements: “I am a Canadian citizen/permanent resident of Canada” OR, “I am not a Canadian citizen/permanent resident of Canada.” Applications that do not include this information will be deemed incomplete.

The University will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant’s accessibility needs. If you require accommodation during the interview process, please contact the Department of Family Medicine at the email listed below.

Review of applications will continue until the positions are filled. Applicants are asked to send a curriculum vitae, three references, and a letter outlining qualifications and experience to:

Dr. Michael Green, Head
Department of Family Medicine
Queen’s University, 220 Bagot Street, PO Bag 8888, Kingston, Ontario K7L 5E9

Queen’s University
Department of Family Medicine
Academic Family Physicians
– Hospitalists

The Queen’s Department of Family Medicine (DFM) is seeking academic family physicians for the role of hospitalists in beautiful and historic Kingston, Ontario. Opportunities include one week per month, two weeks per month, half-time and full-time roles.

With a combination of academic and clinical experience, preferred candidates will have their clinical responsibilities based within DFM’s Hospital Medicine Division. The hospitalists will provide care within Providence Care Hospital (PCH) and the Transitional Care Centre.

The hospitalists will be members of the on-call group providing on-call coverage. Preferred candidates will also work closely with hospitalists within the Kingston Health Sciences Centre and the Stroke Transitional Unit, to ensure a smooth transition of patients to PCH.

Among their academic responsibilities, preferred candidates will undertake family medicine-based hospital medicine research. They will also assume educational duties that realize DFM’s SEAMO deliverables. These duties may include pursuing education and curriculum development opportunities for residents interested in hospitalist medicine, as well as undergraduate medical education opportunities.

Applicants must be eligible for licensure with the College of Physicians and Surgeons of Ontario on or before the appointment start date. Preference will be given to applicants who have current, valid certification (or equivalent) in family medicine from the College of Family Physicians of Canada.

Rich in history, culture, attractions, and cuisine, Kingston consistently ranks as one of the best places to live in Canada, offering an abundance of festivals, concerts, and events; unique restaurants, pubs, and cafés; historic sites, live theatre, museums, art galleries, and eclectic shopping; and beautiful running, hiking, and biking trails along Lake Ontario, all within our downtown core (visitkingston.ca).

Queen’s University is recognized nationally for the quality of its undergraduate and graduate programs, which attracts outstanding students. Queen’s University is an integral part of the vibrant Kingston community in the heart of the Thousand Islands region of southeastern Ontario. It has a community spirit and amenities unmatched by any other Canadian university. The University and the region offer an outstanding academic and community environment (www.queensu.ca).

The University invites applications from all qualified individuals. Queen’s is strongly committed to employment equity, diversity, and inclusion in the workplace and encourages applications from Black, racialized/visible minority and Indigenous/Aboriginal people, women, persons with disabilities, and 2SLGBTQ+ persons. All qualified candidates are encouraged to apply; however, in accordance with Canadian immigration requirements, Canadian citizens and permanent residents of Canada will be given priority. To comply with Federal Laws, the University is obliged to gather statistical information about how many applicants from each job vacancy are Canadian citizens/permanent residents of Canada, applicants need not identify their country of origin or citizenship, however, all applicants must include one of the following statements: “I am a Canadian citizen/permanent resident of Canada” OR, “I am not a Canadian citizen/permanent resident of Canada.” Applications that do not include this information will be deemed incomplete.

The University will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant’s accessibility needs. If you require accommodation during the interview process, please contact the Department of Family Medicine at the email listed below.

Application review will commence immediately and continue until positions are filled. Letters of application outlining how current qualifications and experience match our requirements (and including one of the two statements regarding Canadian Citizenship/permanent resident status specified above), accompanied by a curriculum vitae and the names and contact information of three (3) referees, should be directed to:

Queen’s University
Department of Family Medicine
Academic Family Physician – Research Director

The Department of Family Medicine seeks a full-time Academic Family Physician – Research Director (incumbent will be eligible for an endowed chair).
The position as Director of Research includes the role of Director, Centre for Studies in Primary Care. Preference will be given to senior scholars whose research and teaching clearly demonstrate a focus on primary care research. As Director of the Centre for Studies in Primary Care (CSPC) and an Academic Family Physician, the incumbent will report to the Head of the Department of Family Medicine.
The incumbent will be eligible for an endowed chair: The Walter Rosser Chair in Family Medicine Research. This prestigious position recognizes the pioneering work of Dr. Rosser in advancing the research contributions of family physicians in the advancement of clinical care of our patients.
The preferred candidate will have a combination of academic and clinical experience, with demonstrated clinical expertise in family medicine, will exhibit strong potential for innovative and scholarly research, and provide evidence of an ability to work in an interdisciplinary, collaborative environment.
Clinical responsibilities will be based at the Queen's Family Health Team in Kingston and include taking call approximately two nights per month and four weekends per year.
Academic responsibilities include a combination of teaching, supervision of undergraduate and postgraduate learners and scholarly activity.
Preference will be given to applicants who can provide evidence of current involvement and commitment to education through the submission of an educational dossier and the identification of referees who can attest to the applicant’s educational expertise. A Master’s level degree is considered an asset.
Applicants must be eligible for licensure with the College of Physicians and Surgeons of Ontario on or before the appointment start date, and candidates should have a current, valid certification from the College of Family Physicians of Canada.
The University invites applications from all qualified individuals. Queen’s is strongly committed to employment equity, diversity, and inclusion in the workplace and encourages applications from Black, racialized/visible minority and Indigenous/Aboriginal people, women, persons with disabilities, and 2SLGBTQIA+ persons. All qualified candidates are encouraged to apply; however, in accordance with Canadian immigration requirements, Canadian citizens and permanent residents of Canada will be given priority. To comply with Federal Laws, the University is obliged to gather statistical information about how many applicants from each job vacancy are Canadian citizens/permanent residents of Canada, applicants need not identify their country of origin or citizenship, however, all applicants must include one of the following statements: “I am a Canadian citizen/permanent resident of Canada” OR, “I am not a Canadian citizen/permanent resident of Canada.” Applications that do not include this information will be deemed incomplete.
The University will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant’s accessibility needs. If you require accommodation during the interview process, please contact the Department of Family Medicine at the email listed below.
Review of applications will commence immediately and continue until the position is filled. Applicants are asked to send a curriculum vitae, the names and contact information of three referees and a letter outlining how current qualifications and experience match our requirements to:
